HSA PARTICIPANTS

You and your dependent(s) eligibility to make HSA contributions may be jeopardized if you are enrolled in other Non-HDHP coverage or Medicare, receiving Veteran's Administration Benefits or Tri-care or if you are claimed as a dependent on another individual's tax return.

MICHELLE'S LAW

Group health plans that condition dependent eligibility on a child's full-time student status must provide a notice of the requirements of Michelle's Law in any materials describing a requirement for certifying student status for plan coverage. Under Michelle's Law, a plan cannot terminate a child's coverage for loss of full-time student status if the change in status is due to a medically necessary leave of absence.

PATIENT PROTECTIONS

The group health plan allows the designation of a Primary Care Provider. You have the right to designate any Primary Care Provider who participates in the network and who is available to accept you or your family members. For children, you may designate a pediatrician as the Primary Care Provider. For information on how to select a Primary Care Provider and for a list of the participating Primary Care Providers, contact your Health Plan's Customer Service Department.

You do not need prior authorization from the group health plan or from any other person (including a Primary Care Provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan or following procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact your Health Plan's Customer Service Department.

If a plan provides coverage for emergency services, the plan must do so without prior authorization, regardless of whether the provider is a participating provider. Services provided by non-participating providers must be provided with cost-sharing that is no greater than that which would apply for a participating provider and without regard to any other restriction other than an exclusion or coordination of benefits, an affiliation or waiting period, and cost-sharing.

SECTION 125 PRE-TAX PREMIUM PLAN

This group benefit plan allows your portion of eligible employee benefit insurance premiums to be deducted from your paycheck on a pre-tax basis. When your premium contributions are deducted from your paycheck before taxes are calculated, that amount is not subject to federal, state, or Social Security taxes. This reduces your payroll tax and results in higher take-home pay.

All eligible employees will be automatically enrolled in this pre-tax plan. If you do not wish to participate, thereby paying your portion of the eligible employee benefit insurance premiums with after-tax dollars, you must contact Human Resources and sign the necessary waiver form. Your employer pays all the administrative expenses associated with this pre-tax plan.

It is important to know that once your insurance premiums are being deducted on a pre-tax basis, you cannot change your election until the start of the next Plan Year unless you experience an eligible qualifying change in status. Reference your Section 125 Plan Document for eligible qualifying changes in status.

SPECIAL ENROLLMENT RIGHTS NOTICE

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your dependents other coverage). However, you must request enrollment within 30 days after the other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption or placement for adoption; you may be able to enroll you and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption or placement for adoption.

If you are declining coverage for yourself or your dependents because of coverage under Medicaid or a State Child Health Insurance Program (SCHIP), you may be able to enroll yourself or your dependents in this plan if that coverage terminates due to a loss of eligibility. You must request enrollment in the plan no later than 60 days after the termination of coverage.

Additionally, if you decline coverage and you or your dependents become eligible for premium assistance for this group health plan under Medicaid or SCHIP, you or your dependents may be able to enroll in the plan at that time. You must request enrollment no later than 60 days after the date you are determined to be eligible for the premium assistance.

SUMMARY OF BENEFITS AND COVERAGE (SBC)

Understanding your health care benefits is important. The Summary of Benefits and Coverage (SBC) is a standardized document that is available to help you understand how your health plan works. The SBC is provided annually at Open Enrollment, upon hire and is available upon request from **Tasha Vore / tvore@schusterco.com / (712) 546-5124**. **Additional information about your benefits can be located online at www.lttbenefits.com.**

USES OF PROTECTED HEALTH INFORMATION (PHI)

The Plan can use or disclose your protected health information for purposes of health care treatment, health care payment and health care operations, as described below in the full notice.

The Plan may contact you to provide information about treatment alternatives or other health related benefits and services.

The Plan may disclose your protected health information to your family or friends, or any other individual identified by you.

The Plan will only disclose the PHI directly relevant to their involvement in your care or payment.

WOMEN'S HEALTH AND CANCER RIGHTS ACT

This Federal law provides protections for individuals who elect breast reconstruction after a mastectomy. Under WHCRA, group health plans offering mastectomy coverage must also provide coverage for certain services relating to the mastectomy in a manner determined in consultation with the attending physician and the patient. Required coverage includes all stages of reconstruction of the breast on which the mastectomy was performed, surgery and reconstruction of the other breast to produce a symmetrical appearance, prostheses and treatment of physical complications of the mastectomy, including lymphedema.

YOUR RIGHTS

You have the right to request restrictions on the uses and disclosures of PHI, but the health plan is not required to agree to your request.

You have the right to request to receive communications of PHI by alternative means or at alternative locations.

With some exceptions detailed in the full notice, you have the right to inspect and copy the PHI contained in the plans' records.

You may request a correction to your PHI, but the plan may deny your request.

You have the right to receive an accounting of disclosures of PHI made by the plan.

You have the right to receive a paper copy of this notice.

Section 125 Pre-Tax Premium Plan Employee Notice

Our group benefit plans allow your portion of eligible employee benefit premiums to be deducted from your paycheck on a pre-tax basis. When your premium contributions are deducted from your paycheck before taxes are calculated, they are not subject to federal, state, Medicare or Social Security taxes. This reduces your taxes and results in higher take-home pay.

All eligible employees will be automatically enrolled in this pre-tax plan. If you do not wish to participate, thereby paying your portion of the eligible insurance premiums with after-tax dollars, you must contact Tasha Vore / tvore@schusterco.com to sign a waiver form.

It is important to understand that once your insurance premiums are being deducted on a pre-tax basis, you cannot change your election until the start of the next Plan Year (1/1/2027) unless you experience one of the following events that allow a mid-year change:

- Change in Family Status
- Significant Change in Cost or Benefits
- Change in Coverage of Spouse or Dependent under Other Employer's Plan
- FMLA Leave
- COBRA Event
- Judgment, Decree or Court Order
- Medicare or Medicaid Entitlement

New Health Insurance Marketplace Coverage Options and Your Health Coverage

Beginning in 2014, there is a new way to buy health insurance: the **Health Insurance Marketplace**. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away.

Each year, the open enrollment period for health insurance coverage through the Marketplace runs from November 1 through December 15 of the previous year. After December 15, you can get coverage through the Marketplace only if you qualify for a special enrollment period or are applying for Medicaid or the Children's Health Insurance Program (CHIP).

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards.

If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5 percent (as adjusted each year after 2014) of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit. (An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.)

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution—as well as your employee contribution to employer-offered coverage—is often excluded from income for federal and state income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact from **Tasha Vore / tvore@schusterco.com / (712) 546-5124** that answers questions from employees about the health plan's coverage.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit **HealthCare.gov** for more information, as well as an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2025. Contact your State for more information on eligibility –

**Important Notice from
Le Mars Truck & Trailer
About Your Prescription Drug Coverage and Medicare
Traditional and HDHP -- Creditable Coverage
For Coverage Effective 1/1/2026**

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Le Mars Truck & Trailer and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

- Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
- Auxiant, your group health carrier, has determined that the prescription drug coverage offered by the Le Mars Truck & Trailer Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered CREDITABLE COVERAGE. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th through December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Le Mars Truck & Trailer coverage will not be affected.

You can keep this coverage if you elect Part D and this plan will coordinate with Part D coverage.

If you do decide to join a Medicare drug plan and drop your current Le Mars Truck & Trailer coverage, be aware that you and your dependents will be able to get this coverage back annually as of January 1 of each year during our Annual Open Enrollment Period. You have the option to change between the two plans (Traditional and HDHP) each year during our Annual Open Enrollment Period.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Le Mars Truck & Trailer and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium.

You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...

Refer to the contact information at the end of this notice. You will get this notice each year, and you will also get it if this coverage through Le Mars Truck & Trailer changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

- You can ask to see or get a copy of your health and claims records and other health information we have about you. Ask us how to do this.

- We will provide a copy or a summary of your health and claims records, usually within 30 days of your request. We may charge a reasonable, cost-based fee.

Ask us to correct health and claims records

- You can ask us to correct your health and claims records if you think they are incorrect or incomplete. Ask us how to do this.
- We may say “no” to your request, but we’ll tell you why in writing within 60 days.

Request confidential communications

- You can ask us to contact you in a specific way (for example, home or office phone) or to send mail to a different address.
- We will consider all reasonable requests, and must say “yes” if you tell us you would be in danger if we do not.

Ask us to limit what we use or share

- You can ask us not to use or share certain health information for treatment, payment, or our operations.
- We are not required to agree to your request, and we may say “no,” for example, if it could affect your care. If we agree to your request, we may still share this information in the event that you need emergency treatment.

Get a list of those with whom we’ve shared information

- You can ask for a list (accounting) of the times we’ve shared your health information for six years prior to the date you ask, who we shared it with, and why.
- We will include all the disclosures except for those about treatment, payment, and health care operations, and certain other disclosures (such as any you asked us to make). We’ll provide one accounting a year for free but will charge a reasonable, cost-based fee if you ask for another one within 12 months.
