---

**Incontestability**

This Certificate is incontestable after two years from its date of issue, except for non-payment of premiums.

If this Certificate replaces a plan Your Employer had with another insurer, We may rescind this Certificate based on misrepresentations or omissions made by Your Employer or You in a signed application for up to two years from the Effective Date of the Policy.

**Conditions Of Eligibility**

---

Subject to the conditions of eligibility set forth below, and to all of the other conditions of this Certificate, You are eligible for Group Term Life coverage if You are:

- In an eligible class of Employees;
- An active Full time Employee;
- Legally working in the United States and/or Canada or working outside of the United States for a United States based Employer in a country or region approved by Us; and
- Working at least the minimum number of hours of an Employee in Your eligible class at:
  - The Employer's place of business;
  - Some place where the Employer's business requires You to travel; or
  - Any other place You and the Employer have agreed upon for the performance of your occupational duties.

You are **not** eligible for Group Term Life coverage if You are:

- A temporary or seasonal Employee.

**Enrollment Requirement** If You must pay all or part of the cost of Your coverage, We will not cover You until You enroll and agree to make the required payments.

**Proof Of Insurability** Part or all of Your insurance amounts may be subject to proof that You are insurable. The Schedule of Benefits explains if and when We require Proof of Insurability. You will not be covered for any amount that requires such Proof of Insurability until You provide such proof to Us and We approve it in writing.

**The Waiting Period** If You are in an eligible class, You are eligible for Group Term Life insurance under this Certificate after You complete the service waiting period, if any, established by the Employer.

**Multiple Employment** If You work for both the Employer and a covered associated company, or for more than one covered associated company, We will treat You as if only one firm employs You. You will not have multiple life insurance coverage under this Certificate. But, if this Certificate uses the amount of Your Insured Earnings to set the rates, determine class, figure insurance amounts, or for any other reason, such Insured Earnings will be figured as the sum of Your Insured Earnings from all covered Employers.

### When Coverage Starts

---

For coverage to start, You must be fully capable of performing the major duties of Your regular occupation for the Employer and working the minimum required number of hours of an Employee in Your eligible class at 12:01 A.M. Standard Time for Your place of residence on Your scheduled Eligibility Date. And, for coverage to start, You must satisfy all of the Conditions of Eligibility described above, and the conditions shown below which apply to You. If You are not fully capable of performing the major duties of Your regular occupation on Your scheduled Eligibility Date, We will postpone the start of Your coverage until You are so capable and working the minimum required number of hours of an Employee in Your eligible class for one full day, with the capacity to do so for one full week.

Whether You must pay all or part of the cost of Your coverage, You must elect to enroll and agree to make the required payments before Your coverage starts. If You do this on or before Your Eligibility Date, Your coverage is scheduled to start on Your Eligibility Date. If You do this within 31 days after Your Eligibility Date, Your coverage is scheduled to start on Your Eligibility Date. If You elect to enroll and agree to make the required payments more than 31 days after Your Eligibility Date, Your coverage will not start until You send Us Proof Of Insurability. Once We approve such Proof Of Insurability, Your coverage will start on the date we approve such coverage.

### All Options

**Exception to When Coverage Starts** Sometimes a scheduled Eligibility Date is not a regularly scheduled work day. If the scheduled Eligibility Date falls on:

- A holiday;
- A vacation day;
- A non-scheduled work day;
- A day during an approved leave of absence not due to Sickness or Injury, of 90 days or less; or
- A day during a period of absence that is less than 7 days in duration;

**and if:**

- You are fully capable of performing the major duties of Your regular occupation for Your Employer for the minimum number of hours of an Employee in Your eligible class at 12:01 AM Standard Time for Your place of residence on the scheduled Eligibility Date; and

- You were performing the major duties of Your regular occupation and working the minimum number of hours of an Employee in Your eligible class on Your last regularly scheduled work day;

Your coverage will start on the scheduled Eligibility Date. However, any coverage or part of coverage for which You must elect and pay all or part of the cost, will not start if You are on an approved leave, layoff or absence and such coverage or part of coverage was not previously in force for You under a prior plan which this Certificate replaced.

Any part of Your coverage which is subject to Proof Of Insurability will not start unless You send such proof to Us, and We approve it in writing. Once We have approved it, that part of Your coverage is scheduled to start on Your approved Eligibility Date.

### Proof Of Insurability

Part or all of Your dependent insurance amounts may be subject to proof that they are insurable. The Schedule of Benefits explains if and when We require Proof of Insurability. B400.3203

## All Options

### When Dependent Coverage Starts

In order for Your dependent coverage to start, You must already be covered for Employee coverage, or enroll for Employee and dependent coverage at the same time.

Subject to the Exception shown below and to all of the other terms of this Certificate, the date Your dependent coverage starts depends on when You elect to enroll Your Initial Dependents and agree to make any required payments.

**Initial Dependents** If You enroll Your Initial Dependents on or before Your Eligibility Date, the dependents' coverage begins on the later of Your Eligibility Date and the date You become covered for Employee coverage.

If You enroll Your Initial Dependents within the Enrollment Period, their coverage begins on the later of Your Eligibility Date and the date You become covered for Employee coverage.

If You do not enroll Your Initial Dependents when they are first eligible, and enroll those Initial Dependents after the Enrollment Period ends, You must supply Proof Of Insurability and coverage will not start until We approve that proof in writing.

If an Initial Dependent becomes eligible after this Certificate's Effective Date, his or her coverage will start on the date We approve him or her for coverage.

**If Dependent Proof of Insurability is required** Subject to the Exception shown below, if Proof Of Insurability is required for dependent benefits, You must send Us the proof We require, and We must approve that proof in writing. Those benefits will then begin on the approved Eligibility Date.

If You must pay part of the cost of dependent coverage, We will not cover You for such coverage until You enroll each of Your dependents, agree to make the required payments, submit Proof Of Insurability and We approve that proof in writing.

**Newly Acquired Dependents** If You do not pay any part of the cost of dependent coverage, a Newly Acquired Dependent is covered from the date he or she first becomes eligible.

If You must pay part of the cost of dependent coverage, and are already enrolled for dependent child coverage for Your Initial Dependent children, any Newly Acquired Dependent children will be covered as of the date he or she is first eligible.

However, if You were previously eligible to enroll for dependent child coverage and waived coverage or failed to enroll, We will not cover any of Your dependent children until You submit Proof of Insurability and we approve that proof in writing and you make any additional required payments.

B400.3204

## All Options

**Exception** We will postpone the Eligibility Date of a dependent's, other than a newborn child's, coverage if, on that date, he or she is unable to perform two or more Activities of Daily Living (ADLs).

In that case, We will postpone the Eligibility Date of his or her coverage until the day after the date he or she no longer requires assistance with two or more Activities of Daily Living.

If a dependent was covered under a prior plan at transfer, this language will not apply to the amount of coverage that was in force with the prior plan.

B400.3206

### **When Dependent Coverage Ends**

Dependent coverage ends for all of Your dependents when:

- Your Employee coverage ends;
- You stop being a member of a class of Employees eligible for such coverage;
- This Certificate ends; or
- Dependent coverage is discontinued from this Certificate for all Employees or for Your class.

If You are required to pay part of the cost of dependent coverage, and You fail to do so, Your dependent coverage ends. It ends on the last day of the period for which You made the required payments, unless coverage ends earlier for other reasons.

An individual dependent's coverage ends when he or she stops being an eligible dependent. For dependent children the coverage ends at 12:01 A.M. Standard Time for Your place of residence on the date the child attains this Certificate's age limit, or when a step-child is no longer dependent on You for at least 50% of their support and maintenance, or for Your disabled child who has reached the age limit, when he or she is no longer eligible under the Continuing Coverage for Dependent Children Past the Limiting Age provision.

Coverage ends for a Spouse when a marriage is lawfully terminated.

Read this Certificate carefully if dependent coverage ends for any reason. Dependents may have the right to continue certain group benefits for a limited time. And, they may have the right to replace certain group benefits with converted policies.

**The Beneficiary** You decide who receives this benefit when You die. Your beneficiary designation should be provided in a means acceptable by Us.

You can change Your beneficiary at any time by providing written notice; unless You have assigned this insurance. But, the change will not take effect until We or the Employer records the change.

We will not be liable for any amounts paid before receiving notice of a beneficiary change.

In no event may a beneficiary be changed by a Power of Attorney.

If You named more than one person as a primary beneficiary, but You do not specify what shares each such primary beneficiary is entitled to receive, We will divide the benefits equally among all such named primary beneficiaries who survive You. If someone You named as a primary beneficiary dies before You, that person's share will be divided equally by the primary beneficiaries still alive; unless You have specified otherwise.

If You have named a contingent beneficiary or contingent beneficiaries, We will pay Your contingent beneficiary or contingent beneficiaries, if no primary beneficiary survives You. If there is more than one contingent beneficiary who is eligible for benefits, We will divide the benefits equally among all such named contingent beneficiaries who survive You; unless You have specified otherwise.

If there is no primary or contingent beneficiary or beneficiaries eligible for benefits when You die, We will pay this benefit as follows:

- To Your Spouse;
- If Your Spouse does not survive You, then to Your children who survive You in equal shares;
- If no Spouse or children survive You, then to Your parents who survive You in equal shares;

And, We pay no increased voluntary term life insurance benefit amount if Your death is due to suicide, and if such death occurs within 2 years from the effective date of the increase.

- You were covered under the prior plan when it ended;
- You Enrolled for voluntary Group Term Life insurance under this Certificate on or before this Certificate's effective date; and

- If no Spouse, children, or parents survive You, then to Your brothers and sisters in equal shares;
- If none of the above parties survive You, then to Your executors or administrators of Your estate.

**Assigning This Life Insurance** If You assign this insurance, You permanently transfer all Your rights under this insurance to the assignee. Only one of the following can be an assignee:

- Your Spouse;
- One of Your parents or grandparents;

## CONVERTING THIS EMPLOYEE BASIC AND VOLUNTARY TERM LIFE INSURANCE

---

**If Employment Or Eligibility Ends** Your group life insurance ends on the date:

- Your active Full-Time employment ends; or
- You stop being a member of an eligible class.

If Your group life insurance ends, Your Employer is responsible for providing You Notice of Your Right to Convert.

If You are not Totally Disabled, You can apply to convert Your Employee group basic and voluntary life insurance to a permanent life insurance policy.

You can apply to convert up to the full amount of basic and voluntary life insurance for which You were insured under this Certificate on the date Your insurance ended, less any group life insurance for which You become eligible in the 31 days after Your insurance under this Certificate ends.

**If This Certificate Ends Or Group Life Insurance Is Discontinued** Your group life insurance also ends:

- If this Certificate ends; or
- Life insurance is discontinued from this Certificate for all Employees or for Your class.

If Your group life insurance ends for either of these reasons, You may apply to convert Your Employee group basic and voluntary life insurance to a Converted Policy.

You can apply to convert to a permanent life insurance policy, if

- You are not Totally Disabled; and
- You have been insured by a Guardian group life insurance plan or a group plan it replaces for at least five consecutive years.

However, the amount of life insurance that You can convert in either scenario is limited to the lesser of:

- \$2,000, or
- The amount of Your basic and voluntary life insurance under this Certificate, less any group life insurance for which You become eligible in the 31 days after Your insurance under this Certificate ends.

**If You Are Totally Disabled** Your group life insurance ends on the date:

- Your active Full-Time employment ends;
- You stop being a member of an eligible class;
- This Certificate ends; or

- Life insurance is discontinued from this Certificate for all Employees or for Your class;

and

- You are Totally Disabled; and
- You are eligible for Waiver of Premium Benefits pursuant to the Waiver of Premium Benefit Rider, but You have not yet been approved for the Waiver of Premium of Benefit,

You can apply to convert Your group term life insurance to:

- A permanent life insurance policy; or
- Interim term life insurance coverage.

You can apply to convert up to the full amount of basic and voluntary life insurance for which You are insured under this Certificate on the date Your insurance ends, less any group life insurance for which You become eligible in the 31 days after Your insurance under this Certificate ends.

However, if You have coverage under this Certificate's Exception to When Employee Coverage Starts, You may not convert if You are eligible or could become eligible under the prior plan's waiver of premium provision.

If You have converted and are later approved for this Certificate's Waiver of Premium Benefit, the Converted Policy will be cancelled as of the date You are approved for the Waiver of Premium Benefit. In this instance, Your coverage under this Certificate will continue subject to its terms, provided You remain eligible for the Waiver of Premium Benefit.

**Interim Term Life Insurance** You may choose to apply to convert to interim term life insurance coverage if:

- You are Totally Disabled; and
- You may be eligible for Waiver of Premium Benefits based upon Your age, but You have not yet been approved for the Waiver of Premium Benefit.

If interim term life insurance coverage is issued to You, it can remain in force for up to one year from the date the interim term life insurance coverage goes into force and effect.

If You are approved for this Certificate's basic and voluntary Waiver of Premium Benefit during this year, the interim term life insurance coverage will be cancelled as of the date that You are approved for the Waiver of Premium Benefit. In this instance, Your coverage under this Certificate will continue subject to its terms, provided You remain eligible for the Waiver of Premium Benefit. If You have not been approved for this Certificate's basic and voluntary Waiver of Premium Benefit, the interim term life insurance coverage will end exactly one year from the first day said coverage goes into force and effect, and Your life insurance will be converted to a permanent life insurance policy. Premiums for the permanent life insurance policy will be based on Your age as of the date You convert from the interim term life insurance coverage.

If You are Totally Disabled, but You are not eligible for the Waiver of Premium Benefit based on Your age, You can apply to convert to a permanent life insurance policy.

**How and When to Convert** To obtain a Converted Policy, We must receive a written application fully completed by You, and all required premiums within the Conversion Period. Your Employer is responsible for providing You with Notice of Your Right to Convert within 15 days of the date Your group life insurance ends. We will not ask for proof that You are insurable. In order to obtain a Converted Policy, You must satisfy all conditions required to convert within the Conversion Period.

Coverage will begin under the Converted Policy when We receive:

- A written application fully completed by You; and
- All required premiums during the Conversion Period.

**Death During The Conversion Period** We will pay a death benefit equal to the amount of life insurance that could have been converted if:

- You die within the Conversion Period; and
- But for Your death, You would have been entitled to purchase a Converted Policy; and
- We receive Proof of Loss.

Any benefit payable under the group Certificate will be paid to the beneficiary You designate under the group Certificate. However, if the Converted Policy has already taken effect, any benefit payable under the Converted Policy will be paid to the beneficiary You designated for the individual life insurance on the application for conversion. Under no circumstances will a benefit be paid under both the group Certificate and the Converted Policy.

B400.8584

## All Options

**Portability And Conversion** If You choose to convert, this Certificate's portability privilege will not be available. In the event that a person would be eligible to both convert and to port, only one of these privileges may be chosen. Coverage under both a Conversion Policy and a portable certificate of coverage at the same time is not permitted. You should read the entire Certificate, as well as any related materials carefully before making a choice.

**Proof of Insurability** Depending on the coverage selected, or as otherwise required in this Certificate, You, Your Spouse and/or Dependents may be required to supply proof that the person applying for coverage is insurable for the amount and type of coverage selected. This requirement is called Proof of Insurability. For purposes of this section, any person applying for coverage requiring Proof of Insurability is referred to as "Applicant."

To determine if the Applicant is required to submit Proof of Insurability for the type and amount of coverage sought, please see below.

Any applicant required to submit Proof of Insurability is required to complete and submit to Us an Enrollment/Change form. We may also require the completion of additional forms so that We may determine whether the Applicant is insurable, according to Our underwriting standards for the amount and type of coverage applied for. To determine if the Applicant is insurable, We may also need to obtain and review the Applicant's

- Health and medical history;
- Prescription history;
- Records relating to treatment, diagnostic testing, hospitalization, and
- Records pertaining to Applicant's driving and motor vehicle history.

No coverage requiring Proof of Insurability will become effective unless and until it is approved by Us in writing. Our receipt of any premiums associated with coverage requiring Proof of Insurability does not waive or modify any requirement that must be satisfied for coverage to begin, including but not limited to the requirement that the Applicant submit Proof of Insurability. In the event that any premiums are overpaid, Our only obligation is to return the amount of overpaid premiums.

The Policyholder, or its designee, must give Us complete and accurate information so that we may determine:

- Who is insured;
- The type and amount of coverage for which someone is insured; and
- Any other information required so that Guardian may meet its obligations under the Policy.

**Proof Of Insurability Requirements** Proof Of Insurability requirements apply to Basic Term Life Insurance. Such requirements may apply to the full insurance amount, or just part of it, as outlined below. When Proof Of Insurability requirements apply, it means You must submit to Us Proof that You are insurable, and We must approve the Proof in writing before the insurance, or the specified part becomes effective.

We require Proof of Insurability as follows:

If You:

- Do not meet this Policy's enrollment requirement within 30 days after You first become eligible; or

- Enroll after You previously had coverage which ended because You failed to make a required payment,

We will require that You provide Proof Of Insurability. And, You will not be covered until We approve that proof in writing.

If Your Active Full-Time Work ends before You meet any Proof Of Insurability requirements that apply You will still have to meet those requirements if You are later re-employed by the Employer or an associated company.

**SUPPLEMENTAL RIDER - Accelerated Life Benefit**

---

This Rider is effective as of the effective date of the Employee's Certificate. If this Rider is added to an inforce Certificate, the Rider becomes effective on its issue date. This Rider amends the Certificate by the addition of the following:

**Note: This benefit is not available for retirees.**

**Employee Accelerated Basic and Voluntary Life Benefit**

**IMPORTANT NOTICE: USE OF THIS BENEFIT MAY HAVE TAX IMPLICATIONS. IT MAY ALSO AFFECT GOVERNMENT BENEFITS OR CLAIMS OF CREDITORS. YOU SHOULD CONSULT YOUR TAX OR FINANCIAL ADVISOR BEFORE YOU APPLY FOR THIS BENEFIT.**

**THE AMOUNT OF YOUR GROUP TERM LIFE INSURANCE IS PERMANENTLY REDUCED BY THE GROSS AMOUNT OF THE ACCELERATED LIFE BENEFIT.**

**Accelerated Life Benefit** You may be eligible for an Accelerated Life Benefit if you meet the following conditions:

- You have a Terminal Condition;
- You supply the required written proof of Your Terminal Condition (see "How To Apply");
- You apply for this benefit in writing while living and before You attain age 60. If You are unable to request this benefit yourself, Your legal representative may request it on Your behalf.

This benefit is a payment of part of Your Group Term Life Insurance made to You before death. You may use this benefit in any way You choose, subject to the restrictions stated below.

If You qualify for the Accelerated Life Benefit, We will subtract the Gross Amount paid to You as an Accelerated Life Benefit from the amount of Your Group Term Life Insurance under the Certificate. The remaining amount of Group Term Life Insurance is permanently reduced by the Gross Amount of this benefit.

You may only receive one Employee Accelerated Life Benefit during Your lifetime. This benefit does not have to be repaid, even if You:

- Live longer than 6 months from the date We receive Your application for this benefit; or
- Recover from the Terminal Condition.

However, the amount of this benefit will not be restored to Your remaining Group Term Life Insurance. And, You may not receive another Accelerated Life Benefit under any circumstances and even if You:

- Have a relapse; or

- You are subsequently diagnosed as having another Terminal Condition.

**Benefit Amount For The Accelerated Life Benefit** The amount of the Accelerated Life Benefit for which You may apply is based on the amount of group term life insurance for which You are insured on the day before You apply for the benefit subject to the following minimum and maximum amounts.

The minimum benefit amount is the lesser of: (1) \$10,000.00; or (2) 50% of Your amount of Group Term Life Insurance.

The maximum benefit amount is the lesser of: (1) \$500,000.00; or (2) 50% of Your amount of Group Term Life Insurance.

**Discount** The amount of the Accelerated Life Benefit which is available to You is discounted to the present value in 6 months from the date this benefit is paid. The discount is based on the maximum adjustable policy loan interest rate permitted in the state in which the group policy is delivered.

A detailed statement of the method of computing the amount of the Accelerated Life Benefit is available from Us on request.

**Payment Of The Accelerated Life Benefit** If We approve Your application for this benefit, We pay the amount You have elected, less the present value discount. We pay this benefit to You in one lump sum. This payment is subject to all of the other terms of the Certificate.

**How To Apply** You must send Us written proof from a Doctor who is operating within the scope of his or her license that You have a Terminal Condition. We must approve such proof in writing before this benefit is paid.

We may have You examined by a Doctor of Our choice to determine whether the Terminal Condition exists. We will pay the cost of such exam.

If We approve Your application to receive this benefit, We will provide You with a statement along with Your benefit payment which shows:

- The amount of the Accelerated Life Benefit You requested;
- The amount of the present value discount;
- The amount of Your Accelerated Life Benefit check; and
- The remaining amount of Your Basic and Voluntary Life Insurance coverage.

Even if You have been approved for a waiver of premium benefit under this Certificate, You may still apply for an Accelerated Life Benefit. But, if You convert Your Group Term Life Insurance, the terms of the converted life policy will apply. Any amount to which You could otherwise convert is permanently reduced by the gross amount of Your Accelerated Life Benefit.

**If You Have Assigned Your Group Term Life Insurance** If You have already assigned Your Group Term Life Insurance, or any portion thereof, You cannot apply for an Accelerated Life Benefit.

**If You Are Legally Incompetent** If You are not legally competent, Your lawful guardian, conservator, legal representative, or any person or fiduciary with the lawful authority to act on Your behalf or handle Your affairs may apply for the Accelerated Life Benefit on Your behalf.

**Your Remaining Group Term Life Insurance** The remaining amount of Your Group Term Life Insurance after You receive an Accelerated Life Benefit payment is subject to any increases or reductions that would otherwise apply to Your insurance. Applicable reductions are applied to the amount of Group Term Life Insurance for which You were insured on the day before the date You applied for the Accelerated Life Benefit.

If Your Life Benefit is scheduled to reduce within 6 months of the date You apply for the Accelerated Life Benefit, any applicable reduction will also be applied to Your Accelerated Benefit amount.

The premium cost of Your remaining insurance is based on the amount of Group Term Life Insurance for which You were insured on the day before the date You applied for the Accelerated Life Benefit.

The total amount of Group Term Life Insurance Your beneficiary would otherwise receive on Your death is reduced by the Gross Amount of the Accelerated Life Benefit.

If You die after applying, and were eligible, for the Accelerated Life Benefit, but before We send You the benefit, Your beneficiary will receive the full amount of Group Term Life Insurance for which You were insured on the day before the date You applied for the Accelerated Life Benefit.

**Restrictions** We will not pay an Accelerated Life Benefit if:

- Your coverage under the Certificate ends for any reason after You apply for the Accelerated Life Benefit, but before We pay such benefit;
- You are required by law to use the proceeds of the Group Term Life Insurance from the Certificate to meet the claims of creditors, whether or not You are in bankruptcy;
- You are required by court order to pay all or part of the proceeds of the Group Term Life Insurance from the Certificate to another person; or
- You are required by a government agency to use the payment to apply for, receive or maintain a governmental benefit or entitlement.

**Definitions** This section defines certain terms appearing in this Rider. Additional terms, not listed here, are defined in the Certificate.

- **Doctor:** Any medical practitioner We are required by law to recognize. He or she must:
  - Be properly licensed or certified by the laws of the state where he or she practices; and
  - Provide services that are within the lawful scope of his or her practice.

  - Scheduled increase in the amount of Employee Basic and Voluntary group term life insurance that is due within the 6 month period after the date You apply for the Accelerated Life Benefit.
- **Terminal Condition:** This term means a medical condition that is expected to result in death within 6 months from the date You apply for the Accelerated Life Benefit.

**SUPPLEMENTAL RIDER - Waiver of Premium Benefit**

---

This Rider is effective as of the effective date of the Employee's Certificate. If this Rider is added to an inforce Certificate, the Rider becomes effective on its issue date. This Rider amends the Certificate by the addition of the following:

**Employee Basic and Voluntary Term Life Insurance  
Waiver Of Premium Benefit**

**Important Notice** This rider applies to Your Basic and Voluntary term life insurance. It does not apply to any of Your dependent life insurance under the Certificate. To continue dependent life insurance, You must convert Your dependent coverage. See "Converting This Dependent Term Life Insurance" for details.

**If You Are Disabled** If You are Totally Disabled, and meet the requirements in "How And When To Apply," We will extend Your Basic and Voluntary life insurance without payment of premiums from You or the Employer in an amount equal to the amount of Basic and Voluntary life insurance for which You are insured on Your last day of Active Work.

**How And When To Apply** To apply for this benefit, You must submit, while living, written medical proof of Your Total Disability satisfactory to Us within one year of the start of that disability. Any claim filed after one year from the start of Total Disability will be denied, unless We receive written proof that:

- You lacked the legal capacity to file the claim; or
- It was not reasonably possible for You to file the claim within the required period of time.

To be approved for this benefit, You must:

- Become Totally Disabled before You reach age 60 and while insured by the Certificate; and
- Remain Totally Disabled for at least 9 months in a row.

You should apply for this benefit immediately at the start of Your Total Disability.

**Continued Proof For Waiver of Premium Benefit** We may require written proof that You remain Totally Disabled and receive regular Doctor's care to maintain this benefit. This proof must be given to Us within 30 days of the date We request it.

We can also require that You take part in a medical assessment by a medical professional of Our choice as often as We feel is reasonably necessary during the first 2 years We have waived Your life insurance premiums pursuant to the Rider. After 2 years, We cannot have You examined more than once a year.

**Until You Have Been Approved For This Benefit** If Your life insurance under the Certificate ends after You have become Totally Disabled and applied for Waiver of Premium Benefits, but before We have approved You for this benefit, You may:

- Continue to pay your group premium payments, including any part which would have been paid by the Employer, until You are approved or declined for this benefit; or
- Apply to convert to an individual permanent or term life insurance policy.

Please read "Converting This Employee Basic and Voluntary Term Life Insurance" for details on how to convert.

Converting Your life insurance does not stop You from claiming Your rights under this section. But, if You apply to convert and obtain a policy, and We later approve You for this benefit, We will cancel the converted policy on the date We approve You for this Benefit. See "Converting This Employee Basic and Voluntary Term Life Insurance" for details on how We do this. Once You are approved for this benefit, Your insurance under the Certificate will be reinstated at no further cost to You or the Employer.

If You are declined for the Waiver of Premium benefit, You will have the option to apply to convert to an individual permanent or term life insurance policy. If You do not convert within 31 days of the date You are declined for the Waiver of Premium benefit, and You have not returned to Active Work, Your coverage will end.

**If the Certificate terminates before You are approved** If this group Certificate terminates and You are Totally Disabled and eligible, but not yet approved, for this Waiver of Premium benefit, You must apply to convert to an individual permanent or term policy, and remain insured under such policy until You are approved by Us for the Waiver of Premium benefit.

**When This Waiver Begins** Once approved by Us, Your Waiver of Premium benefit will be effective on the date following the day You have been Totally Disabled for 9 months in a row.

**Certificate amendatory rider**

This rider amends your Group Term Life Insurance Certificate of Coverage and its Waiver of Premium Benefit. (The Waiver of Premium Benefit is called the Extended Life Benefit with Waiver of Premium in some Certificates.)

This rider is effective on the certificate effective date. If this rider is added after the certificate effective date, the rider becomes effective on its issue date.

**What this rider changes**

This rider changes your options for keeping your life insurance in place if you stop working because you're Totally Disabled.

If you're Totally Disabled, the Waiver of Premium Benefit allows you to keep some or all of your life insurance in place without having to continue to pay premiums.

The Waiver of Premium Benefit doesn't begin immediately after you stop working. It has a waiting period. You must remain Totally Disabled during this waiting period before the benefit begins and your premiums are waived. See the Waiver of Premium Benefit in your Certificate for how long you must be Totally Disabled and its other requirements.

**You can obtain interim coverage**

If your employment ends because you're Totally Disabled, your coverage will end on the date specified in the Certificate. If you'd like to keep your insurance in place until the date the Waiver of Premium Benefit begins, you must do all of the following:

- Apply for interim coverage during the Conversion Period
- Apply for the Waiver of Premium Benefit before or during the Conversion Period
- Pay the premium within the time required in the Certificate

You must pay the full cost of the interim coverage, including any part that had previously been paid by your Employer or Policyholder. You'll need to send the premiums directly to us. The cost of interim coverage may be different than the cost when you were working. Premiums will be based on your age at the time the interim coverage begins.

We won't ask for proof that you're insurable to obtain interim coverage.

**What happens when you convert to interim coverage**

Once you apply and pay the required premiums, we'll send you written confirmation that your interim coverage is in place.

Interim coverage will be provided through this same Certificate. It will be subject to all the terms, conditions and limitations of the Certificate unless specifically changed by this rider.

The interim coverage won't include any additional benefits for accidental death and dismemberment that may have been offered by this Certificate.

Your beneficiary designation will remain the same unless you elect to change it.

### **When your interim coverage begins and ends**

Your interim coverage will begin immediately after the Conversion Period ends.

Interim coverage is temporary. It's intended to cover you only between the date you stop working and the date the Waiver of Premium Benefit begins.

Your interim coverage will continue for the period specified in the Certificate, even if the group policy ends.

### **What happens if you don't obtain interim coverage**

If you don't obtain interim coverage, you can still apply for the Waiver of Premium Benefit. You must apply while living and within the time allowed by the Certificate.

If you don't apply for interim coverage and you die after the end of the Conversion Period but before the date the Waiver of Premium Benefit begins, you'll have no life insurance in place. Benefits will only be available if you were eligible to apply for the Waiver of Premium Benefit and we can confirm you were Totally Disabled from the date you stopped working through the date of your death.

If we determine benefits are payable, we'll pay the full amount of life insurance you had in place under the Certificate on your last day of work. This amount will be subject to any deductions that would've taken place had you remained working.

We'll also reduce the benefits by the amount of premium owed for the period between your last day of work and the date you die.

### **Other things you should know about interim coverage**

If the Waiver of Premium Benefit applies to some but not all of your life insurance benefits under this Certificate, you'll be able to obtain interim coverage for only those coverage amounts to which the Waiver of Premium Benefit applies. This could happen if you purchased extra coverage under the group policy.

For any coverage amounts not covered by the Waiver of Premium Benefit, you can convert that portion of your life insurance to a permanent life insurance policy as explained below.

### **Converting your life insurance when you're not eligible for the Waiver of Premium Benefit**

If you stop working due to disability, you can convert your coverage to an individual permanent life insurance policy when any of the following occur:

- You aren't eligible for the Waiver of Premium Benefit because you're not Totally Disabled.
- You aren't eligible for the Waiver of Premium Benefit because of your age.
- Some portion of your life insurance didn't have the Waiver of Premium Benefit. This could happen if you purchased additional coverage under the group policy. If you're eligible for the Waiver of Premium Benefit, only the coverage amounts that didn't have the Waiver of Premium Benefit can be converted to a permanent life insurance policy.

In the situations described above, you must apply for the permanent life insurance policy during the Conversion Period listed in the Certificate.

You can also convert your coverage to a permanent life insurance policy when either of the following occur:

- Your eligibility for the Waiver of Premium Benefit ends.
- Your interim coverage ends.

You'll have 31 days from the date we notify you that you're no longer eligible for the Waiver of Premium Benefit to convert to a permanent life insurance policy.

You'll have 31 days from the date the interim coverage ends to convert to a permanent life insurance policy.

See the Certificate for more information on how to apply for a permanent life insurance policy.

While you can't convert your coverage to a permanent life insurance policy simply because your Waiver of Premium Benefit claim is pending, you can obtain interim coverage as stated in the You can obtain interim coverage section above.

#### **Other terms, limits and rules**

This amendment changes the terms of this Certificate only as specifically listed above. All the other terms, limits, rules and exclusions of the Certificate and Waiver of Premium Benefit (called the Extended Life Benefit with Waiver of Premium in some Certificates), remain in place.

Nothing in this rider will serve to increase your benefits beyond that already listed in the Certificate and the Waiver of Premium Benefit. In no event will the total amount of life insurance benefits available through these conversion options exceed the total amount of life insurance benefits you had in place under the Certificate on your last day of work. This total amount will be subject to any deductions that would've taken place had you remained working.

This rider doesn't change the options your spouse and children have for continuing any life insurance they may have in place. Please refer to the Certificate for their continuation options.

If the conversion and Waiver of Premium Benefit provisions being amended by this rider also appear in the group insurance Policy issued to your Employer or Policyholder, this rider also amends the group insurance Policy to include these changes.

**STATEMENT OF ERISA RIGHTS**

---

**The Guardian Life Insurance Company of America**

10 Hudson Yards  
New York, New York 10001  
(212) 598-8000

Your group term life insurance benefits may be covered by the Employee Retirement Income Security Act of 1974 (ERISA). If so, you are entitled to certain rights and protections under ERISA.

ERISA provides that all plan participants shall be entitled to:

**Receive Information  
about Your Plan and  
Benefits**

- Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

**Prudent Actions by  
Plan Fiduciaries**

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

**Enforcement of  
Your Rights**

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules (see Claims Procedures below).

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

**Assistance with Questions** If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

**Life Insurance Claims Procedure** If you seek benefits under the plan you should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from the Guardian Life Insurance Company of America (hereinafter referenced as Guardian.)

Guardian is the Claims Fiduciary with discretionary authority to interpret and construe the terms of the Policy, the Certificate, the Schedule of Benefits, and any riders, or other documents or forms that may be attached to the Certificate or the Policy, and any other plan documents. Guardian has discretionary authority to determine eligibility for benefits and coverage under those documents. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of ERISA.

**Definitions** "Adverse determination" means any denial, reduction or termination of a benefit or failure to provide or make payment (in whole or in part) for a benefit.

**Timing for Initial Benefit Determination of Life Insurance Claims** The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

Guardian will provide a benefit determination not later than 90 days from the date of receipt of a claim. This period may be extended by up to 90 days if Guardian determines that an extension is necessary due to special circumstances, and so notifies the claimant before the end of the initial 90-day period. Such notification will include the reason for the special circumstances requiring the extension and a date by which the determination is expected to be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

**Adverse Benefit Determination of Life Insurance Claims**

If a claim is denied, Guardian will provide notice that will set forth:

- The specific reason(s) for the adverse determination;
- References to the specific provisions in the Policy, Certificate, plan or other documents, on which the determination is based;
- A description of any additional material or information needed to perfect the claim, and an explanation of why such material or information is necessary;
- A description of the plan's claim review procedures which a claimant may follow to have a claim for benefits reviewed and the time limits applicable to such procedures; and
- A description of the plan's review procedures and the time limits applicable to such procedures, including a statement of the claimant's right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination.

B997.0224

**All Options**

**Appeals of Adverse Determinations of Life Insurance Claims**

If a claim is wholly or partially denied, you will have up to 60 days to make an appeal. Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- The opportunity to submit written comments, documents, records and other information relating to the claim;
- The opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relevant to the claim; and
- A review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

Guardian will notify the claimant of its decision not later than 60 days after receipt of the request for review of the adverse determination. This period may be extended by an additional period of up to 60 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 60-day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made.

In the event Guardian denies the appeal of an adverse benefit determination, it will:

- Provide the specific reason or reasons why the appeal was denied;
- Refer to the specific provisions in the Policy, Certificate, plan, or other documents on which the benefit determination is based;
- Provide a statement that the claimant is entitled to receive, upon request and free of charge, reasonably access to, and copies of all documents, records, and other information relevant to the claimant's claim for benefits; and
- Provide a statement describing any voluntary appeal procedures offered by the Plan, the claimant's right to obtain information about such procedures, and a statement that the claimant's right to bring an action under ERISA section 502(a).

**Waiver of Premium** If you apply for an extension of life insurance benefits due to Total Disability under the Waiver of Premium benefit under this plan, these claim procedures will apply to such request:

**Timing For Initial Benefit Determination for Waiver of Premium** The benefit determination period begins when claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the time period shown below. A written or electronic notification of any adverse determination must be provided.

Guardian will make a determination of whether the claimant meets the plan's standard for total disability not later than 45 days from the date of receipt of a claim. This period may be extended by up to 30 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 45-day period. Such notification will include the reason for the extension and a date by which the determination will be made. If prior to the end of the 30-day period Guardian determines that an additional extension is necessary due to matters beyond the control of the plan, and so notifies the claimant, the time period for making a benefit determination may be extended for up to an additional period of up to 30 days. Such notification will include the special circumstances requiring the extension and a date by which the final determination will be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit the information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

**Adverse Benefit Determination** If a claim for an extension of benefits is denied, Guardian will provide a notice that will set forth:

- The specific reason(s) for the adverse determination;
- References to the specific provisions in the Policy, Certificate, plan or other documents, on which the determination is based;
- A description of any additional material or information needed to perfect the claim, and an explanation of why such material or information is necessary;
- A description of the plan's claim review procedures which a claimant may follow to have a claim for benefits reviewed and the time limits applicable to such procedures;
- A description of the plan's review procedures and the time limits applicable to such procedures, including a statement of the claimant's right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination; and
- In the case of adverse benefit determination based on medical necessity or experimental treatment, notice will either include an explanation of the scientific or clinical basis for the determination, or a statement that such explanation will be provided free of charge upon request.

## All Options

**Appeals of Adverse Determinations for Waiver of Premium** If a claim for Waiver of Premium is denied, the claimant will have up to 180 days to make an appeal. Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- The opportunity to submit written comments, documents, records and other information relating to the claim;
- The opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relevant to the claim; and
- A review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will:

- Provide for a review conducted by a named fiduciary who is neither the person who made the initial adverse determination nor that person's subordinate;

- In deciding an appeal based upon a medical judgment, consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;
- Identify medical or vocational experts whose advice was obtained in connection with an adverse benefit determination; and
- Ensure that a health care professional engaged for consultation regarding an appeal based upon a medical judgment shall be neither the person who was consulted in connection with the adverse benefit determination, nor that person's subordinate.

Guardian will notify the claimant of its decision not later than 45 days after receipt of the request for review of the adverse determination. This period may be extended by an additional period of up to 45 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 45-day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made.

In the event Guardian denies the appeal of an adverse benefit determination, it will:

- Provide the specific reason or reasons why the appeal was denied;
- Refer to the specific provisions in the Policy, Certificate, plan, or other documents on which the benefit determination is based;
- Provide a statement that the claimant is entitled to receive, upon request and free of charge, reasonably access to, and copies of all documents, records, and other information relevant to the claimant's claim for benefits;
- Provide a statement disclosing any internal rule, guideline, protocol or similar criterion relied on in making the adverse benefit determination (or a statement that such information will be provided free of charge upon request); or a statement that no internal rule, guideline, protocol or similar criterion was relied upon in making the adverse benefit determination;
- If applicable, provide an explanation of the basis of disagreement with or not following the views presented by you, of health care professionals who treated you, and vocational professionals who evaluated you;
- If applicable, provide an explanation of the basis for disagreeing with or not following the views of any medical or vocational expert whose advice was obtained on our behalf in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the determination;
- If applicable, provide an explanation of the basis for disagreeing with or not following a disability determination made by the Social Security Administration that you present to us;

- Provide a statement describing the claimants right to bring a civil suit under Section 502(a) of the Employee Retirement Income Security Act of 1974 which shall also describe any applicable contractual limitations period that applies the claimant's right to bring such an action, including the calendar date on which the contractual limitations period expires for the claim, and;
- In the event the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, provide either an explanation of the scientific or clinical judgment for the determination, applying the terms of the plan to the claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request.

**Alternative Dispute Options** The claimant and the plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact the local U.S Department of Labor Office and the State insurance regulatory agency.

In addition to any legal rights you may have under section 502(a), if you believe that we have violated ERISA's procedural requirements, you may request that we review any claimed violation(s) and we will respond to you within ten days.

B400.6098

**All Options**

**When Coverage Starts**

---

For coverage to start, You must be fully capable of performing the major duties of Your regular occupation for the Employer and working the minimum required number of hours of an Employee in Your eligible class at 12:01 A.M. Standard Time for Your place of residence on Your scheduled Eligibility Date. And, for coverage to start, You must satisfy all of the Conditions of Eligibility described above, and the conditions shown below which apply to You. ### When Dependent Coverage Starts

In order for Your dependent coverage to start, You must already be covered for Employee coverage, or enroll for Employee and dependent coverage at the same time.

Subject to the Exception shown below and to all of the other terms of this Certificate, the date Your dependent coverage starts depends on when You elect to enroll Your Initial Dependents and agree to make any required payments.

**Initial Dependents** If You enroll Your Initial Dependents on or before Your Eligibility Date, the dependents' coverage begins on the later of Your Eligibility Date and the date You become covered for Employee coverage.

If You enroll Your Initial Dependents within the Enrollment Period, their coverage begins on the later of Your Eligibility Date and the date You become covered for Employee coverage.

If You do not enroll Your Initial Dependents when they are first eligible, and enroll those Initial Dependents after the Enrollment Period ends, You must supply Proof Of Insurability and coverage will not start until We approve that proof in writing.

If an Initial Dependent becomes eligible after this Certificate's Effective Date, his or her coverage will start on the date We approve him or her for coverage.

However, if You were previously eligible to enroll for dependent child coverage and waived coverage or failed to enroll, We will not cover any of Your dependent children until You submit Proof of Insurability and we approve that proof in writing and you make any additional required payments.

Dependent coverage ends for all of Your dependents when:

- Your Employee coverage ends;
- You stop being a member of a class of Employees eligible for such coverage;
- This Certificate ends, or

If You are required to pay part of the cost of dependent coverage, and You fail to do so, Your dependent coverage ends. It ends on the last day of the period for which You made the required payments, unless coverage ends earlier for other reasons.

An individual dependent's coverage ends when he or she stops being an eligible dependent. For dependent children the coverage ends at 12:01 A.M. Standard Time for Your place of residence on the date the child attains this Certificate's age limit, or when a step-child is no longer dependent on You for at least 50% of their support and maintenance, or for Your disabled child who has reached the age limit, when he or she is no longer eligible under the Continuing Coverage for Dependent Children Past the Limiting Age provision.

This requirement is called Proof of Insurability. For purposes of this section, any person apply for coverage requiring Proof of Insurability is referred to as "Applicant."

To determine if the Applicant is required to submit Proof of Insurability for the type and amount of coverage sought, please see below.

Any applicant required to submit Proof of Insurability is required to complete and submit to Us an Enrollment/Change form. We may also require the completion of additional forms so that we may determine whether the Applicant is insurable according to our underwriting standards for the amount and type of coverage applied for. - Health and medical history;
- Prescription history;
- Records relating to treatment, diagnostic testing, hospitalization; and

In the event that any premiums are overpaid, Our only obligation is to return the amount of overpaid premiums.

The Policyholder, or its designee, must give Us complete and accurate information so that We may determine:

- Who is insured;
- The type and amount of coverage for which someone is insured; and
- Any other information required so that Guardian may meet its obligations under the Policy.

**STATEMENT OF ERISA RIGHTS**

---

**The Guardian Life Insurance Company of America**

10 Hudson Yards  
New York, New York 10001  
(212) 598-8000

Your group term accidental death and dismemberment insurance benefits may be covered by the Employee Retirement Income Security Act of 1974 (ERISA). If so, you are entitled to certain rights and protections under ERISA.

ERISA provides that all plan participants shall be entitled to:

**Receive Information  
about Your Plan and  
Benefits**

- Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

**Prudent Actions by  
Plan Fiduciaries**

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

**Enforcement of  
Your Rights**

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules (see Claims Procedures below).

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

**Assistance with Questions**

If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

**Accidental Death and Dismemberment Insurance Claims Procedure**

If you seek benefits under the plan you should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from the Guardian Life Insurance Company of America (hereinafter referenced as Guardian.)

Guardian is the Claims Fiduciary with discretionary authority to interpret and construe the terms of the Policy, the Certificate, the Schedule of Benefits, and any riders, or other documents or forms that may be attached to the Certificate or the Policy, and any other plan documents. Guardian has discretionary authority to determine eligibility for benefits and coverage under those documents. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of ERISA.

**Definitions**

"Adverse determination" means any denial, reduction or termination of a benefit or failure to provide or make payment (in whole or in part) for a benefit.

**Timing for Initial  
Benefit  
Determination of  
Accidental Death  
and  
Dismemberment  
Insurance Claims**

The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

Guardian will provide a benefit determination not later than 90 days from the date of receipt of a claim. This period may be extended by up to 90 days if Guardian determines that an extension is necessary due to special circumstances, and so notifies the claimant before the end of the initial 90-day period. Such notification will include the reason for the special circumstances requiring the extension and a date by which the determination is expected to be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

**Adverse Benefit  
Determination of  
Accidental Death  
and  
Dismemberment  
Insurance Claims**

If a claim is denied, Guardian will provide notice that will set forth:

- The specific reason(s) for the adverse determination;
- References to the specific provisions in the Policy, Certificate, plan or other documents, on which the determination is based;
- A description of any additional material or information needed to perfect the claim, and an explanation of why such material or information is necessary;
- A description of the plan's claim review procedures which a claimant may follow to have a claim for benefits reviewed and the time limits applicable to such procedures;
- Identification and description of any specific internal rule, guideline or protocol that was relied upon in making an adverse benefit determination, or a statement, that a copy of such information will be provided to the claimant free of charge upon request;
- A description of the plan's review procedures and the time limits applicable to such procedures, including a statement of the claimant's right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination; and
- In the case of adverse benefit determination based on medical necessity or experimental treatment, notice will either include an explanation of the scientific or clinical basis for the determination, or a statement that such explanation will be provided free of charge upon request.

### **Appeals of Adverse Determinations of Accidental Death and Dismemberment Insurance Claims**

If a claim is wholly or partially denied, you will have up to 60 days to make an appeal. Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- The opportunity to submit written comments, documents, records and other information relating to the claim;
- The opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relevant to the claim; and
- A review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will:

- Provide for a review conducted by a named fiduciary who is neither the person who made the initial adverse determination nor that person's subordinate;
- In deciding an appeal based upon a medical judgment, consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;
- Identify medical or vocational experts whose advice was obtained in connection with an adverse benefit determination; and
- Ensure that a health care professional engaged for consultation regarding an appeal based upon a medical judgment shall be neither the person who was consulted in connection with the adverse benefit determination, nor that person's subordinate.

Guardian will notify the claimant of its decision not later than 60 days after receipt of the request for review of the adverse determination. This period may be extended by an additional period of up to 60 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 60-day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made.

In the event Guardian denies the appeal of an adverse benefit determination, it will:

- Provide the specific reason or reasons why the appeal was denied;
- Refer to the specific provisions in the Policy, Certificate, plan, or other documents on which the benefit determination is based;
- Provide a statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of all documents, records, and other information relevant to the claimant's claim for benefits;

- In the event the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, provide either an explanation of the scientific or clinical judgment for the determination, applying the terms of the plan to the claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request.

**Waiver of Premium** If you apply for an extension of accidental death and dismemberment insurance benefits due to Total Disability under the Waiver of Premium benefit under this plan, these claim procedures will apply to such request:

**Timing For Initial Benefit Determination for Waiver of Premium** The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the time period shown below. A written or electronic notification of any adverse determination must be provided.

Guardian will make a determination of whether the claimant meets the plan's standard for total disability not later than 45 days from the date of receipt of a claim. This period may be extended by up to 30 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 45-day period. Such notification will include the reason for the extension and a date by which the determination will be made. If prior to the end of the 30-day period Guardian determines that an additional extension is necessary due to matters beyond the control of the plan, and so notifies the claimant, the time period for making a benefit determination may be extended for up to an additional period of up to 30 days. Such notification will include the special circumstances requiring the extension and a date by which the final determination will be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision on the claim, and the additional information needed to resolve those issues.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit the information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

**Adverse Benefit Determination** If a claim for an extension of benefits is denied, Guardian will provide a notice that will set forth:

- The specific reason(s) for the adverse determination;
- References to the specific provisions in the Policy, Certificate, plan or other documents, on which the determination is based;
- A description of any additional material or information needed to perfect the claim, and an explanation of why such material or information is necessary;

- A statement disclosing any internal rule, guideline, protocol or similar criterion relied on in making the adverse benefit determination (or a statement that such information will be provided free of charge upon request); or a statement that no internal rule, guideline, protocol or similar criterion was relied upon in making the adverse benefit determination;
- If applicable, an explanation of the basis of disagreement with or not following the views presented by you, of health care professionals who treated you and vocational professionals who evaluated you;
- If applicable, an explanation of the basis for disagreeing with or not following the views of any medical or vocational expert whose advice was obtained on our behalf in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the determination;
- If applicable, an explanation of the basis for disagreeing with or not following a disability determination made by the Social Security Administration that you present to us;
- A description of the plan's review procedures and the time limits applicable to such procedures, including a statement of the claimant's right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination; and
- In the case of adverse benefit determination based on medical necessity or experimental treatment, notice will either include an explanation of the scientific or clinical basis for the determination, or a statement that such explanation will be provided free of charge upon request.

No statement in any application, except a fraudulent statement, made by You will be used to contest the validity of Your insurance or to deny a claim for a loss incurred, or for a disability which starts, after such insurance has been in force for two years during Your lifetime.

If this Certificate replaces a plan Your Employer had with another insurer, We may rescind this Certificate based on misrepresentations or omissions made by the Employer or You in a signed application for up to two years from the Effective Date of the Policy.

B400.0059

All Options

**Proof of Insurability:** Part or all of Your insurance amounts may be subject to Proof of Insurability. The Schedule Of Benefits explains if and when We require proof. **Multiple Employment:** If You work for both the Employer and a covered associated company, or for more than one covered associated company, We will treat You as if only one firm employs You. ### When Coverage Starts

For coverage to start, You must be fully capable of performing the major duties of Your Own Job for the Employer working the minimum required number of hours of an Employee in Your eligible class at 12:01 A.M. Standard Time for Your place of residence on Your scheduled Eligibility Date. And, for coverage to start, You must meet all of the Conditions of Eligibility described above and the conditions shown below which apply to You. If You are not fully capable of performing the major duties of Your Own Job on Your scheduled Eligibility Date, We will postpone the start of Your coverage while this Certificate is in force. We will postpone coverage until You are so capable and working the minimum required number of hours of an Employee in Your eligible class for one full day, with the capacity to do so for one full week.

Whether You must pay all or part of the cost of Your coverage, You must elect to enroll and agree to make the required payments before Your coverage will start. If You do this on or before Your Eligibility Date, Your coverage is scheduled to start on Your Eligibility Date. If You do this within 31 days after Your Eligibility Date, Your coverage is scheduled to start on the date You sign Your enrollment form. If You elect to enroll and agree to make the required payments more than 31 days after Your Eligibility Date, Your coverage will not start until You send Us Proof of Insurability. Once We have approved such proof, Your coverage is scheduled to start on Your approved Eligibility Date.

B400.0064

### Exception to When Coverage Starts

Sometimes a scheduled Eligibility Date is not a regularly scheduled work day. If the scheduled Eligibility Date falls on:

- A holiday;
- A vacation day;
- A non-scheduled work day;
- A day during an approved leave of absence not due to Sickness or Injury, of 90 days or less; or
- A day during a period of absence that is less than 7 days in duration;

**and if:**

- You were fully capable of performing the major duties of Your Own Job for the Employer for the minimum number of hours of an Employee in Your eligible class at 12:01 AM Standard Time for Your place of residence on the scheduled Eligibility Date; and
- You were performing the major duties of Your Own Job and working the minimum number of hours of an Employee in Your eligible class on Your last regularly scheduled work day.

Your coverage will start on the scheduled Eligibility Date. However, any coverage or part of coverage for which You must elect and pay all or part of the cost, will not start if You are on an approved leave and such coverage or part of coverage was not previously in force for You under a prior plan which this Certificate replaced.

Any part of Your coverage which is subject to Proof of Insurability will not start unless You send such proof to Us, and We approve it in writing. Once We have approved it, that part of Your coverage is scheduled to start on Your approved Eligibility Date.

B400.0066

**Delayed Effective Date For Short Term Disability Income Coverage:**If, due to Sickness or Injury, You are not Actively At Work and working the minimum required number of hours of an Employee in Your eligible class, on Your scheduled Eligibility Date for Short Term Disability, We will postpone coverage for any condition(s) that prevent you from meeting the Active Work requirement. We will postpone such coverage until You complete one full day of Active Work working Your regular number of hours, with the capacity to do so for one full week, and without missing a work day due to the same condition(s). Coverage for an otherwise covered loss due to all other conditions will start on the date You return to Active Work working the minimum required number of hours of Your eligible class and performing the regular duties of Your job.

B400.0067

## When Coverage Ends

---

Your coverage will end on the first of the following dates:

- The date Your Active Full-Time Work ends for any reason, except as shown below under Continuation Of Coverage.
- The date You stop being an eligible Employee under this Certificate.
- The date You are no longer working in the United States and/or Canada, or no longer working outside of the United States for a United States based employer in a country or region approved by Us. Any incidental business or personal travel outside of the United States and/or Canada, or outside of a country or region approved by Us, is covered. Such travel will be considered incidental if it is for a period not to exceed 30 consecutive days.
- The date the group Certificate ends, or is discontinued for a class of Employees to which You belong.
- The last day of the period for which required payments are made for You.
- The date You die.

You may have the right to continue certain group benefits for a limited time after Your coverage would otherwise end. Read this Certificate carefully for details and discuss with your Employer or administrator. Any provisions that allow continuation of such group benefits must be offered and administered on a fair and equitable basis.

**CONTINUATION OF COVERAGE**

---

---

**Coverage During Disability**

---

You may be Disabled when Your Active Full-Time Work ends due to a non-job related Injury or Sickness for which benefits are not payable. In that case, Your coverage will remain in force during the:

- Elimination Period, subject to payment of required premiums; and
- The period of time for which benefits are payable by this Certificate.

But, in order for Your coverage to continue, the Disability:

- Must be covered by this Certificate.

If You're Disabled when Your Active Full-Time Work ends due to a job-related Injury or Sickness for which benefits are not payable, Your coverage will remain in force until the earlier of the date:

- You are terminated from employment with the Employer; or
- You have been Disabled for 6 Months.

B440.0066

## SHORT TERM DISABILITY INCOME COVERAGE

This Certificate includes the Short Term Disability Schedule of Benefits. Your class and benefit options are shown in the Schedule of Benefits that applies to You.

Terms with special meanings are defined, and are capitalized. See the Definitions section of this Certificate. Other terms with special meanings are defined where they are used.

  - Remain Disabled and covered for this Certificate's Elimination Period.
- You must provide Proof of Loss, as described in Claim Provisions.

Benefits accrue as of the first day after the end of the Elimination Period, subject to all Certificate terms.

You can satisfy the Elimination Period while working, provided You are Disabled.

**Waiver Of Premium:** We waive Your premiums for this coverage while You are entitled to receive a Weekly Benefit payment from this Certificate.

**When Payments End:** Your benefits from this Certificate will end on the earliest of the dates shown below:

- The date You are no longer Disabled.
- The date You fail to provide Proof of Loss as required by this Certificate.
- The date You earn, or are able to earn, the maximum earnings allowed while Disabled under this Certificate.
- The date You are able to perform the major duties of Your Own Job on a Full-Time basis with Reasonable Accommodation.
- The date You die.
- The end of the Maximum Payment Period.
- The date no further benefits are payable under any provision in this Certificate that limits the Maximum Payment Period.

- The date You are no longer receiving Regular and Appropriate Care from a Doctor.
- The date payments end in accordance with a Rehabilitation Agreement.

B400.0128

### All Options

**Maximum Payment Period:** The Maximum Payment Period is shown in the Schedule Of Benefits. But, it may be less than that shown due to:

- The date You were first treated for the cause of Your Disability; and
- The length of time You have been covered by this Certificate. See Pre-Existing Conditions.

Benefits payable during the Maximum Payment Period will not be affected by the termination of the Certificate, subject to all the terms and conditions of the Certificate that were in effect on the first date of Your Disability. Any change to the Certificate with an Effective Date after the first date of Your Disability will not apply to benefits payable during the Maximum Payment Period.

B400.0144

### All Options

**Recurring Disability:** Benefits from this Certificate end if You cease to be Disabled. But, a later Disability may be treated as a Recurring Disability, if all of the conditions listed below are met:

- You must return to Active Work right after Your benefits end.
- The Disability must recur less than two weeks after You were last entitled to benefits.
- The later Disability must be due to the same or related cause of Your earlier Disability.
- This Certificate must not end during Your return to Active Work.
- You must not become covered under any other similar group income replacement plan during the time You return to Active Work.
- When You return to Active Work after being disabled, You must be covered by this Certificate and all required premium must be paid.
- A subsequent Disability will not be considered a Recurring Disability if Your benefits for the prior Disability ended because Your prior Disability had been paid for the Maximum Payment Period.

If the later Disability is a Recurring Disability, You will not need to satisfy a new Elimination Period. The Recurring Disability will be subject to all the terms of this Certificate in effect on the date the earlier Disability began.

If all of the conditions listed above are not met, the later Disability will be treated as a new period of Disability. You will be required to satisfy a new Elimination Period. The new period of Disability will be subject to all the terms of this Certificate in effect on the date the new period of Disability starts.

B400.0146

**Calculation of Weekly Benefit:** Your benefit is governed by the terms of this Certificate in effect on the date Disability starts. Any changes to this Certificate that take place as follows are inapplicable to, and will not affect, Your benefit:

- While You are Disabled; or
- During a period of Active Work that occurs between an initial period of Disability and a Recurring Disability.

We calculate Your Gross Weekly Benefit according to the Schedule of Benefits.

From Your Gross Weekly Benefit, subtract the amount of any income listed in Other Income Benefits that You receive or are entitled to receive. The result is Your Weekly Benefit.

B400.0148

## All Options

**Redetermination:** This Certificate redetermines Your Insured Earnings on each March 1st, the Employer must report current Insured Earnings for all Employees under this Certificate. Changes to Your Insured Earnings are subject to any Proof of Insurability requirements that may apply to this Certificate. As of this Certificate's redetermination date, We use Your Insured Earnings on record with Us to:

- Set rates;
- Project benefit amounts and limits; and
- Calculate premium payable under this Certificate.

You must be Actively at Work on a Full-Time basis on that date. If You are not, We do not do this until the date You return to Active Work on a Full-Time basis. But, changes in earnings will not apply to a Recurring Disability.

B400.0158

## All Options

**Other Income Benefits:** You may receive, or be entitled to receive, income shown in the list below. We will reduce Your Gross Weekly Benefit by such other income benefits to determine Your Weekly Benefit from this Certificate.

- Commissions or monies received, payable but not deferred, or paid after Disability benefits start.

This includes:

- Vested and nonvested renewal commissions;

- Bonuses;
- Royalties; and
- Other distributions.
- Disability benefits from any mandated benefit act or law. This includes all temporary disability or state disability benefits required by law.
- Disability benefits from all group policies or plans of the Employer. This includes payments made by a group life insurance plan due to Your Disability. This does not include payments made from a group life insurance plan's:
  - Accelerated death benefit; or
  - Like provision that allows payment of such plan's proceeds due to terminal illness.
- Disability benefits from any other group policy or plan; but, if the other group plan was in force prior to this Certificate, and the other group plan also deducts for Disability benefits from any other group plan, We will not deduct these other group Disability benefits.
- Income from sick leave, salary continuance or paid time off, exclusive of vacation time accrued prior to Disability, but only to the extent that such income plus the amount of Your Gross Weekly Benefit is more than 100% of Your Insured Earnings. This applies whether such benefits are sponsored on a formal or informal basis. This includes:
  - Donated;
  - Lump sum; and
  - Recurrent payments of accrued sick leave benefits.

But, if You are Working While Disabled, We will account for such income as described in Adjustment of Weekly Benefit for Disability Earnings.

- Income received from partnership distributions but only to the extent that such income plus the amount of Your Gross Weekly Benefit is more than 100% of Your Insured Earnings.
- Benefits from: The United States Social Security Act; The Railroad Retirement Act; or any other like U.S. or Canadian plan or act.

This includes:

- (a) All Disability benefits for which: (i) You are entitled; and (ii) Your Spouse and children are entitled due to Your Disability;
- (b) All unreduced retirement benefits for which: (i) You are entitled and awarded; and (ii) Your Spouse and children are entitled and awarded due to Your entitlement; and
- (c) All reduced retirement benefits paid to: (i) You; and (ii) Your Spouse and children due to Your receipt of such benefits.

We do not reduce Your Gross Weekly Benefit by the retirement benefits described in (b) and (c) above, to the extent that You and Your dependents were entitled and awarded to receive such income prior to the start of Disability. We will reduce the Gross Weekly Benefit by marginal increases in such income You and Your dependents were entitled and awarded after Disability begins.

We will reduce Your Gross Weekly Benefit by Your dependents' benefits described in (a), (b) and (c) above if: (i) the dependents' benefits are provided to You by the Social Security Administration; (ii) at the time that the Social Security Administration makes its first payment of the dependent benefits described in (a), (b), and (c) above, the dependent child remains a minor dependent or an adult Disabled dependent; and (iii) the dependent benefits You are entitled to are greater than any dependent benefit being received by another person. Under these circumstances, We will reduce Your Gross Weekly Benefit by the difference between the amount the dependent was awarded under the prior recipient and the amount awarded the dependent under Your benefits.

We do not reduce Your Gross Weekly Benefit by the benefits to which You are entitled, as described in (a), (b), and (c) above unless such benefits are greater than any widow/widower benefit You are receiving. And then We reduce Your Gross Weekly Benefit by the difference.

- Income of the type that is included in Your Insured Earnings for purposes of determining Your Gross Weekly Benefit under this Certificate.
- That portion of Retirement Plan retirement benefits which the Employer funds.
- That portion of Retirement Plan Disability benefits which the Employer funds.
- Retirement benefits or Retirement Plan disability benefits, due to Your Disability, from any Government Plan other than those shown above.
- Disability benefits from any:
  - No-Fault Motor Vehicle Coverage;
  - Motor vehicle financial responsibility act; or
  - Like law.
- Payment or settlement, with or without admission of liability, from: A Workers' Compensation law; an occupational disease law; or any other act or law of like intent.

This includes:

- The Jones' Act;
- The Longshoreman's and Harbor Workers' Compensation Act; or

- Any Maritime doctrine of Maintenance, Wages or Cure.

If You receive a payment net of attorney fees approved by the Workers' Compensation Board or similar authority, We reduce Our benefit by the net payment.

- Disability benefits from any third party when Your Disability is the result of the negligence or intentional tort liability of that third party.
- Unemployment compensation benefits.
- Payment from Your Employer as part of a termination or severance agreement.

We reduce Your Gross Weekly Benefit with income shown above that You are entitled to receive without regard to the reason You are entitled to receive it.

Our right to reduce Your benefit by such income shall not be negated by a transfer of claim liability to a third party. Payment by such third party by law, settlement, judgment, waiver or otherwise shall not negate Our right.

B400.0163

## All Options

**Other Income Not Subject to Deduction:** We will not reduce Your Gross Weekly Benefit by any income You receive or are entitled to receive from the list below.

- Deferred compensation arrangements such as 401(k), 403(b) or 457 plans;
- Profit sharing plans;
- Thrift plans;
- Tax sheltered annuities;
- Stock ownership plans;
- Individual Retirement Accounts (IRA);
- Individual disability income policies;
- Credit disability insurance;
- Non qualified plans of deferred compensation;
- Pension plans for partners;
- Retirement plans of another Employer not affiliated with this Certificate;
- Military pension and disability plans;
- Critical Illness insurance, unless the benefit is paid out as a wage replacement benefit;
- Accident insurance, unless the benefit is paid out as a wage replacement benefit;
- Specified Disease insurance, unless the benefit is paid out as a wage replacement benefit;

- Cancer insurance, unless the benefit is paid out as a wage replacement benefit.

B400.0170

**Lump Sum Payments Of Other Income:** Income with which We integrate may be paid in a lump sum. In this case, We take the equivalent weekly rate stated in the award into account when We determine Your Weekly Benefit. If no weekly rate is given, We divide the lump sum payment by the number of calendar days in the period for which it was awarded. This will determine the daily rate. Then, multiply the daily rate by 7. The result is the prorated weekly rate.

**Cost of Living Freeze:** You may receive a cost of living increase in other income with which We integrate. In this case, We do not further reduce Your Weekly Benefit by the amount of such increase.

**Application For Other Income:** You must apply for other income benefits to which You may be entitled. If these benefits are denied, You must appeal until:

- All reasonable appeals have been made; or
- We notify You that no further appeals are required.

If We determine that You are entitled to receive such other income benefits, We will estimate the amount due to You and Your Spouse and children. We will take this estimated amount into account when We determine Your Weekly Benefit. But, We will not estimate the amount due to You if You and We agree in writing in an agreement provided to You by Us that You will:

- Apply for any benefits for which You may be eligible;
- Appeal any denial of such benefits until all reasonable appeals have been made; and
- Repay any amount We overpaid due to an award of such benefits.

If We do reduce Your Gross Weekly Benefit by an estimated amount, We will adjust Your Weekly Benefit when We receive written proof:

- Of the amount awarded; or
- That the other income benefits have been denied, and no further appeals are possible.

If We underpay You, We will pay the full amount of the underpayment in a lump sum.

We will assist You in applying for other income benefits.

B400.0173

## All Options

**Adjustment Of Weekly Benefit For Disability Earnings:** We adjust the Weekly Benefit for Disability Earnings as follows:

We pay the greater of the amount calculated under Method 1 or Method 2.

Method 1:

- If your Disability Earnings are less than 20% of Your Insured Earnings, We do not reduce your Weekly Benefit.
- If your Disability Earnings are 20% or more of Your Insured Earnings, We reduce Your Weekly Benefit by 50% of Your Disability Earnings.

Method 2:

- (1) Subtract Your Disability Earnings from Your Insured Earnings.
- (2) Divide the result in (1) above by Your Insured Earnings.
- (3) Multiply the result in (2) above by Your Weekly Benefit. This is the amount We pay.

If Your Disability Earnings fluctuate widely from week to week, We may adjust Your Weekly Benefit using an average Disability Earnings amount. The average Disability Earnings amount will be computed using Your most current week's Disability Earnings and the prior two weeks Disability Earnings.

B400.0199

### All Options

**Maximum Allowable Disability Earnings:** This Certificate limits the amount of income You may earn, or may be able to earn, and still be considered Disabled.

If Your Disability Earnings are more than 80% of Your Insured Earnings, payments from this Certificate will end. Payments from this Certificate will also end if You are able to earn more than 80% of Your Insured Earnings.

**Minimum Payment:** The minimum weekly payment for Disability under this Certificate is \$25.00.

## Limitation and Exclusions

**Pre-Existing Conditions:** A pre-existing condition is an Injury or Sickness, whether diagnosed or misdiagnosed, and any symptoms of it, for which, in the "look back period", You:

- Receive advice or treatment from a Doctor;
- Underwent diagnostic procedures other than routine screening in the absence of symptoms or suspicion of disease process by a Doctor;
- Were prescribed or took prescription drugs; or
- Receive other medical care or treatment, including consultation with a Doctor.

The "look back period" is the 3 Months before the latest of:

- Your Eligibility Date for coverage under this Certificate;
- The Effective Date of a change that increases the benefits payable by this Certificate; and
- The Eligibility Date of a change in Your benefit election that increases the benefit payable by this Certificate.

No benefits are payable for Disability caused by, contributed to, by, or resulting from a pre-existing condition; unless the Disability starts after You complete at least one full day of Active Work after the date You have been covered under this Certificate for 12 months in a row.

Your Disability caused by, contributed to, by, or resulting from a Pre- Existing Condition may begin after:

- A change which provides for an increase in the benefits payable by this Certificate; or
- A change in Your benefit election which increases the benefit payable by this Certificate.

In this case, Your benefit will be limited to the amount that would have been payable had the change not taken place. But, this limit does not apply if Your Disability starts after You complete at least one full day of Active Work after the date the change has been in force for 12 Months in a row.

We do not cover any Disability that starts before Your coverage under this Certificate.

B400.0204

## All Options

**Prior Coverage Credit:** If this Certificate replaces a similar Disability income replacement plan the Employer had with another insurer, the Pre-Existing Condition provision may not apply to You, if coverage under this Certificate starts immediately after the termination of coverage under the prior Disability income replacement plan.

This Certificate must start right after the prior plan ends.

The Pre-Existing Condition provision will be waived for You if You:

- Are Actively Working on Your Eligibility Date for coverage under this Certificate; and
- Have fulfilled the requirements of any Pre-Existing Condition provision of the prior plan provided by the Employer.

You may have been covered under the prior plan when it ended, but have not met the requirements of any Pre-Existing Condition provision of the prior plan. In that case, We credit any time used to meet the prior plan's Pre-Existing Condition provision toward meeting this Certificate's Pre-Existing Condition provision. You must:

- Enroll for coverage under this Certificate on or before this Certificate's Effective Date; and

- Be Actively Working on Your Eligibility Date for coverage under this Certificate.

But, We limit Your maximum Weekly Benefit under this Certificate if:

- It is more than the maximum Weekly Benefit for which You were covered under the prior plan provided by the Employer;
- You become Disabled due to a Pre-Existing Condition; and
- This Certificate pays benefits for such Disability because We credit time as explained above.

In this case, We limit the maximum Weekly Benefit to the amount to which You would have been entitled under the prior plan.

We deduct all payments made by the prior plan under an extension provision.

## Services

**Rehabilitation And Case Management:** We will review Your Disability to see if certain services are likely to help You return to Gainful Work. If needed, We may ask for more medical or vocational information.

When Our review is complete, We may offer You a Rehabilitation Program.

The Rehabilitation Program will start when a written Rehabilitation Agreement is signed by:

- You;
- Us; and
- Your Employer, if needed.

The program may include, but is not limited to:

- Vocational assessment of Your work potential;

- Coordination and transition planning with an Employer for Your return to work;
- Consulting with Your Doctor on Your return to work and need for accommodations;
- Training in job seeking skills and resume preparation; and
- Retraining.

We have the right to determine which services are appropriate.

If You accept the Rehabilitation Agreement, We will pay an enhanced benefit. The enhanced benefit will be 110% of the Weekly Benefit that would otherwise be paid. This enhanced benefit will be payable as of the first Weekly Benefit after the Rehabilitation Program starts.

We stop paying the enhanced benefit on the earliest of:

- The date Your benefits from this Certificate end;
- The date You violate the terms of the Rehabilitation Agreement;
- The date You end the Rehabilitation Program; or
- The date the Rehabilitation Agreement ends.

If You end a Rehabilitation Program without Our consent, You must repay any enhanced benefits paid.

**Dependent Care Expenses:** While You are participating in a Rehabilitation Program, We will pay a dependent care expense benefit, when all of the following conditions are met:

- You incur expense to provide care for a qualified dependent; and
- The care is provided by a licensed provider other than a family member by blood or marriage.

The dependent care expense benefit will be the lesser of:

- \$100.00 per week per qualified dependent; not to exceed \$300.00 per week for all qualified dependents combined; and
- The actual weekly day care expense incurred by You.

We will stop paying the dependent care expense benefit on the earlier of the date You are no longer:

- Incurring dependent care expenses for a qualified dependent;
- Participating in a Rehabilitation Program; or
- Entitled to receive a Weekly Benefit from this Certificate.

As used here, "qualified dependent" means a person who is:

- Dependent upon You for main support and maintenance; and
- Under the age of 14; and

- Your biological child, lawfully adopted child, stepchild or any other child who is living with You in a regular parent-child relationship.

The term also means a family member, related by blood or marriage, age 14 or over who is physically or mentally incapable of caring for him or herself and is dependent upon You for main support and maintenance.

- Return to work; or
- Remain at work.

## SUBROGATION AND RIGHT OF RECOVERY

---

**Purpose:**When You have the right to recover amounts paid by this Certificate, We also have certain rights. These are explained below.

**Subrogation:**When this Certificate pays a benefit, We will immediately be subrogated to Your rights of recovery from any third party to the full extent of benefits paid.

**Recovery:** If You receive a payment from any third party or insurance coverage due to an Injury, Sickness or condition, We have the right to recover from, and be repaid by, You for all amounts this Certificate has paid due to that Injury, Sickness or condition, up to and including the full amount You receive from any third party or insurance coverage.

**Constructive Trust:**You must serve as a constructive trustee over the funds that constitute payment from any third party or insurance coverage due to Your Injury, Sickness or condition. If You fail to hold such funds in trust, it will be deemed a breach of Your fiduciary duty to Us.

**Lien Rights:**We will have a lien to the extent of benefits We paid due to Your Injury, Sickness or condition for which the third party is liable. The lien will be imposed on any recovery, whether by settlement, judgment, or otherwise, including from any insurance coverage, that You receive due to Your Injury, Sickness or condition. The lien may be enforced against any party who holds funds or proceeds which represent the amount of benefits paid by Us. This includes, but is not limited to:

- You;
- Your representative or agent;
- The third party;
- The third party's insurer, representative or agent; and
- Any other source who holds such funds.

**First Priority Claim:**This Certificate's recovery rights are a first priority claim against all third parties and are to be paid to Us before any other claim for Your damages. This Certificate will be entitled to full repayment on a first dollar basis from any third party's payments, even if such payment to the plan will result in a recovery to You which is not sufficient:

- To make You whole; or
- To compensate You in part or in whole for the damages sustained.

This Certificate is not required to participate in or pay court costs or attorney fees to the attorney hired by You to pursue Your damage claim.

**Applicable To All Settlements And Judgments:**We are entitled to full recovery regardless of whether:

- Any liability for payment is admitted by a third party; or

- The settlement or judgment received by You identifies the benefits the plan paid.

This Certificate is entitled to recover from any and all settlements or judgments, even those designated as pain and suffering or non-economic damages only.

**Cooperation:** You must fully cooperate with Our efforts to recover the benefits paid under this Certificate. You must notify Us within 30 days of the date when any notice is given to any party, including an insurance company or attorney, of Your intention to pursue or investigate a claim to recover damages or obtain compensation due to Injury, Sickness or condition sustained by You. You and Your agents, must provide all information requested by Us or Our representative. This includes, but is not limited to, completing and submitting any applications or other forms or statements as We may reasonably request. Failure to do this may result in the termination of benefits or the instigation of legal action against You.

You must do nothing:

- To prejudice Our rights as described in this section; or
- To prejudice Our ability to enforce the terms of this section.

This includes, but is not limited to, refraining from making any settlement or recovery that attempts to reduce or exclude the full amount of all benefits paid by this Certificate.

We have the right to conduct an investigation regarding the Injury, Sickness or condition to identify any third party. We reserve the right to notify the third party and his or her agents of Our lien. Agents include, but are not limited to:

- Insurance companies; and
- Attorneys.

**Interpretation:**In the event that any claim is made that any part of this section is ambiguous, or questions arise as to the meaning or intent of any of its terms, We have discretionary authority to resolve all disputes regarding the interpretation of this section.

**Jurisdiction:**Any legal action or proceeding with respect to this section may be brought in any court of competent jurisdiction as We may choose. You must submit to each such jurisdiction and waive whatever rights may correspond to You by reason of Your present or future domicile.

### **Proof of Insurability Requirements**

Depending on the coverage sought, You may be required to supply proof that the person applying for coverage is insurable for the type and amount of coverage selected. This requirement is called Proof of Insurability. For purposes of this section, any person applying for coverage requiring Proof of Insurability is referred to as an "applicant."

To determine if the applicant is required to submit Proof of Insurability for the type and amount of coverage sought, please see below.

Any applicant required to submit Proof of Insurability must complete and submit to Us an acceptable Enrollment/Change form. We may also require the completion of additional forms so that we may determine whether the applicant is insurable, according to Our underwriting standards for the type and amount of insurance for which the applicant applied. To determine if the applicant is insurable, We may also need to obtain and review the applicant's:

- Health and medical history;
- Prescription history;
- Records relating to treatment;
- Diagnostic testing;
- Hospitalization and the like; and
- Records pertaining to the applicant's driving and motor vehicle history.

No coverage requiring Proof of Insurability will become effective unless and until it is approved by Us in writing. Our receipt of any premiums associated with coverage requiring Proof of Insurability does not waive or modify any requirement that must be satisfied for coverage to begin, including but not limited to the requirement that the applicant submit Proof of Insurability. In the event that any premiums are overpaid, Our only obligation is to return the amount of overpaid premiums.

The Employer, or its designee, must give Us complete and accurate information so that we may determine:

- Who is insured;
- The type and amount of coverage for which someone is insured; and
- Any other information required so that Guardian may meet its obligations under the Certificate.

We require Proof of Insurability as follows:

If Your active Full-Time work ends before You meet any Proof of Insurability requirements that apply, You will still have to meet those requirements if You are later re-employed by the Employer or an associated company within 30 days.

Any level of coverage that requires Proof of Insurability takes effect on the date We approve that proof in writing. But, You must be Actively At Work on a Full-Time basis on that date. If You are not, the new level of coverage will take effect on the date You return to Active Work on a Full-Time basis. In any case, the new level of coverage will not apply to a Recurring Disability.

### Changes To Coverage

**Changes In Coverage Amounts** If You are not Actively At Work on a Full-Time basis, any change in Your amount of coverage will not become effective prior to the date You return to Active Work on a Full-Time basis.

**Changes In Insurance Classification** If Your classification changes, coverage will not be changed to the new amount until the first day on which You are: (1) Actively At Work on a Full-Time basis; and (2) make a contribution, if required, for the new classification.

If a contribution is required for the new classification for which a larger amount of coverage is provided, You must make the required contribution for the new amount within 31 days of the change. If You do not make the required contribution within 31 days of the change or within 31 days of becoming Actively At Work on a Full-Time basis, if You are not Actively At Work on a Full-Time basis, when Your classification changes, no increase will be allowed due to such change or any later change. In that case, in order to become covered for the larger amount, You must:

- Make the required contribution for the new amount; and
- Furnish Proof of Insurability to Us, which We approve in writing.

If the coverage amount was previously reduced because of age or retirement, it will be retained at the reduced amount.

## CERTIFICATE AMENDATORY RIDER

---

This Rider is effective on the Policy Date. If this Rider is added after the Policy Date, the Rider becomes effective on its issue date.

This Rider amends the Certificate by the replacement of the following Benefit Provisions:

**Other Income Benefits:** You may receive, or be entitled to receive, income shown in the list below. We will reduce Your Gross Weekly Benefit by such other income benefits to determine Your Weekly Benefit from this Certificate.

- Commissions or monies received, payable but not deferred, or paid after Disability benefits start.

This includes:

- Vested and nonvested renewal commissions;
- Bonuses;
- Royalties; and
- Other distributions.
- Disability benefits from any mandated benefit act or law. This includes all temporary disability or state disability benefits required by law.
- Disability benefits from all group policies or plans of the Employer. This includes payments made by a group life insurance plan due to Your Disability. This does not include payments made from a group life insurance plan's:
  - Accelerated death benefit; or
  - Like provision that allows payment of such plan's proceeds due to terminal illness.
- Disability benefits from any other group policy or plan; but, if the other group plan was in force prior to this Certificate, and the other group plan also deducts for Disability benefits from any other group plan, We will not deduct these other group Disability benefits.
- Income from sick leave, salary continuance or paid time off, exclusive of vacation time accrued prior to Disability, but only to the extent that such income plus the amount of Your Gross Weekly Benefit is more than 100% of Your Insured Earnings. This applies whether such benefits are sponsored on a formal or informal basis.

This includes:

- Donated;
- Lump sum; and
- Recurrent payments of accrued sick leave benefits.

But, if You are Working While Disabled, We will account for such income as described in Adjustment of Weekly Benefit for Disability Earnings.

- Income received from partnership distributions but only to the extent that such income plus the amount of Your Gross Weekly Benefit is more than 100% of Your Insured Earnings.
- Benefits from: The United States Social Security Act; The Railroad Retirement Act; or any other like U.S. or Canadian plan or act.

This includes:

- (a) All Disability benefits for which: (i) You are entitled; and (ii) Your Spouse and children are entitled due to Your Disability;
- (b) All unreduced retirement benefits for which: (i) You are entitled and awarded; and (ii) Your Spouse and children are entitled and awarded due to Your entitlement; and
- (c) All reduced retirement benefits paid to: (i) You; and (ii) Your Spouse and children due to Your receipt of such benefits.

We do not reduce Your Gross Weekly Benefit by the retirement benefits described in (b) and (c) above, to the extent that You and Your dependents were entitled and awarded to receive such income prior to the start of Disability. We will reduce the Gross Weekly Benefit by marginal increases in such income You and Your dependents were entitled and awarded after Disability begins.

We will reduce Your Gross Weekly Benefit by Your dependent's benefits described in (a), (b) and (c) above if: (i) the dependent's benefits are provided to You by the Social Security Administration; (ii) at the time that the Social Security Administration makes its first payment of the dependent benefits described in (a), (b), and (c) above, the dependent child remains a minor dependent or an adult Disabled dependent; and (iii) the dependent benefits You are entitled to are greater than any dependent benefit being received by another person. Under these circumstances, We will reduce Your Gross Weekly Benefit by the difference between the amount the dependent was awarded under the prior recipient and the amount awarded the dependent under Your benefits.

We do not reduce Your Gross Weekly Benefit by the benefits to which You are entitled, as described in (a), (b), and (c) above unless such benefits are greater than any widow/widower benefit You are receiving. And then We reduce Your Gross Weekly Benefit by the difference.

- Income of the type that is included in Your Insured Earnings for purposes of determining Your Gross Weekly Benefit under this Certificate.
- That portion of Retirement Plan retirement benefits which the Employer funds.
- That portion of Retirement Plan Disability benefits which the Employer funds.

- Retirement benefits or Retirement Plan disability benefits, due to Your Disability, from any Government Plan other than those shown above.
- Disability benefits from any:
  - No-Fault Motor Vehicle Coverage;
  - Motor vehicle financial responsibility act; or
  - Like law.
- Payment or settlement, with or without admission of liability, from: A Workers' Compensation law; an occupational disease law; or any other act or law of like intent.

This includes:

- The Jones' Act;
- The Longshoreman's and Harbor Workers' Compensation Act; or
- Any Maritime doctrine of Maintenance, Wages or Cure.

If You receive a payment net of attorney fees approved by the Workers' Compensation Board or similar authority, We reduce Our benefit by the net payment.

- Disability benefits from any third party when Your Disability is the result of the negligence or intentional tort liability of that third party.
- Unemployment compensation benefits.
- Payment from Your Employer as part of a termination or severance agreement.
- Payments from a paid leave, or a similar plan that pays for an approved leave, but only to the extent that such income plus the amount of Your Gross Weekly Benefit is more than 100% of Your Insured Earnings.

We reduce Your Gross Weekly Benefit with income shown above that You are entitled to receive without regard to the reason You are entitled to receive it.

Our right to reduce Your benefit by such income shall not be negated by a transfer of claim liability to a third party. Payment by such third party by law, settlement, judgment, waiver or otherwise shall not negate Our right.

**STATEMENT OF ERISA RIGHTS**

---

The Guardian Life Insurance Company of America  
10 Hudson Yards  
New York, New York 10001  
(212) 598-8000

Your group Short Term and/or Long Term Disability Income benefits may be covered by the Employee Retirement Income Security Act of 1974 (ERISA). If so, You are entitled to certain rights and protections under ERISA.

ERISA provides that all plan participants shall be entitled to:

**Receive Information  
about Your Plan and  
Benefits**

- (a) Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- (b) Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- (c) Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

**Prudent Actions by  
Plan Fiduciaries**

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including Your employer, Your union, or any other person may fire You or otherwise discriminate against You in any way to prevent You from obtaining a welfare benefit or exercising Your rights under ERISA.

**Enforcement of  
Your Rights**

If Your claim for a welfare benefit is denied or ignored, in whole or in part, You have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules (see Claims Procedures below).

Under ERISA, there are steps You can take to enforce the above rights. For instance, if You request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, You may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay You up to \$110.00 a day until You receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If You have a claim for benefits which is denied or ignored, in whole or in part, You may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if You are discriminated against for asserting Your rights, You may seek assistance from the U.S. Department of Labor, or You may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If You are successful, the court may order the person You sued to pay these costs and fees. If You lose, the court may order You to pay these costs and fees, for example, if it finds that Your claim is frivolous.

**Assistance with Questions** If You have questions about the plan, You should contact the plan administrator. If You have questions about this statement or about Your rights under ERISA, or if You need assistance in obtaining documents from the plan administrator, You should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in Your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about Your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

**Disability Benefits Claims Procedure** If You seek benefits under the plan You should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from The Guardian Life Insurance Company of America (hereinafter referenced as Guardian).

Guardian is the Claims Fiduciary with discretionary authority to interpret and construe the terms of the Policy, the Certificate, the Schedule of Benefits, and any riders, or other documents or forms that may be attached to the Certificate or the Policy, and any other plan documents. Guardian has discretionary authority to determine eligibility for benefits and coverage under those documents. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide Your claim.

In addition to the basic claim procedure explained in Your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of ERISA.

**Definitions** "Adverse determination" means any denial, reduction or termination of a benefit or failure to provide or make payment (in whole or in part) for a benefit.

**Timing for Initial Benefit Determination** The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

Guardian will provide a benefit determination not later than 45 days from the date of receipt of a claim. This period may be extended by up to 30 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 45-day period. Such notification will include the reason for the extension and a date by which the determination will be made. If prior to the end of the 30-day period Guardian determines that an additional extension is necessary due to matters beyond the control of the plan, and so notifies the claimant, the time period for making a benefit determination may be extended for up to an additional period of up to 30 days. Such notification will include the special circumstances requiring the extension and a date by which the final determination will be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

B997.0232

**Adverse Benefit  
Determination**

If a claim is denied, Guardian will provide a notice that will set forth:

- The specific reason(s) for the adverse determination;
- References to the specific provisions in the Policy, Certificate, plan or other documents, on which the determination is based;
- A description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary;
- A description of the plan's claim review procedures which a claimant may follow to have a claim for benefits reviewed and the time limits applicable to such procedures;
- A statement disclosing any internal rule, guideline, protocol or similar criterion relied on in making the adverse benefit determination (or a statement that such information will be provided free of charge upon request); or a statement that no internal rule, guideline, protocol or similar criterion was relied upon in making the adverse benefit determination;
- If applicable, an explanation of the basis of disagreement with or not following the views presented by You, of health care professionals who treated You and vocational professionals who evaluated You;

- If applicable, an explanation of the basis for disagreeing with or not following the views of any medical or vocational expert whose advice was obtained on our behalf in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the determination;
- If applicable, an explanation of the basis for disagreeing with or not following a Disability determination made by the Social Security Administration that You present to us;
- A description of the plan's review procedures and the time limits applicable to such procedures, including a statement of the claimant's right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination on appeal, and;
- In the case of an adverse benefit determination based on medical necessity or experimental treatment, notice will either include an explanation of the scientific or clinical basis for the determination, or a statement that such explanation will be provided free of charge upon request.

**Appeal of Adverse  
Benefit  
Determinations**

If a claim is wholly or partially denied, the claimant will have up to 180 days to make an appeal. Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- The opportunity to submit written comments, documents, records and other information relating to the claim;
- The opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relevant to the claim; and
- A review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will:

- Provide for a review conducted by a named fiduciary who is neither the person who made the initial adverse determination nor that person's subordinate;
- In deciding an appeal based upon a medical judgment, consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;
- Identify medical or vocational experts whose advice was obtained in connection with an adverse benefit determination; and
- Ensure that a health care professional engaged for consultation regarding an appeal based upon a medical judgment shall be neither the person who was consulted in connection with the adverse benefit determination, nor that person's subordinate.

Guardian will notify the claimant of its decision not later than 45 days after receipt of the request for review of the adverse determination. This period may be extended by an additional period of up to 45 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 45-day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made.

In the event Guardian denies the appeal of an adverse benefit determination, it will:

- Provide the specific reason or reasons why the appeal was denied;
- Refer to the specific provisions in the Policy, Certificate, plan, or other documents on which the benefit determination is based;
- Provide a statement that the claimant is entitled to receive, upon request and free of charge, reasonably access to, and copies of all documents, records, and other information relevant to the claimant's claim for benefits;
- Provide a statement disclosing any internal rule, guideline, protocol or similar criterion relied on in making the adverse benefit determination (or a statement that such information will be provided free of charge upon request); or a statement that no internal rule, guideline, protocol or similar criterion was relied upon in making the adverse benefit determination;
- If applicable, provide an explanation of the basis of disagreement with or not following the views presented by You, of health care professionals who treated You, and vocational professionals who evaluated You;
- If applicable, provide an explanation of the basis for disagreeing with or not following the views of any medical or vocational expert whose advice was obtained on our behalf in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the determination;
- If applicable, provide an explanation of the basis for disagreeing with or not following a Disability determination made by the Social Security Administration that You present to us;
- Provide a statement describing the claimant's right to bring a civil suit under Section 502(a) of the Employee Retirement Income Security Act of 1974 which shall also describe any applicable contractual limitations period that applies the claimant's right to bring such an action, including the calendar date on which the contractual limitations period expires for the claim, and;

- In the event the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, provide either an explanation of the scientific or clinical judgment for the determination, applying the terms of the plan to the claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request.

**Alternative Dispute Options** The claimant and the plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact the local U.S Department of Labor Office and the State insurance regulatory agency.

In addition to any legal rights You may have under section 502(a), if You believe that we have violated ERISA's procedural requirements, You may request that we review any claimed violation(s) and we will respond to You within ten days.

B997.0233

This Certificate contains all the benefits and options that are available under the Policy. You are insured only for those benefits and options that you are eligible and enrolled for, and for which the required premium has been paid.

If You do this on or before Your Eligibility Date, Your coverage is scheduled to start on Your Eligibility Date. If You do this within 31 days after Your Eligibility Date, Your coverage is scheduled to start on Your Eligibility Date. If You elect to enroll and agree to make the required payments more than 31 days after Your Eligibility Date, Your coverage will not start until You send Us Proof of Insurability. Once We have approved such proof, Your coverage is scheduled to start on Your approved Eligibility Date.

**Exception to When Coverage Starts**

Sometimes a scheduled Eligibility Date is not a regularly scheduled work day. If the scheduled Eligibility Date falls on:

- A holiday;
- A vacation day;
- A non-scheduled work day;
- A day during an approved leave of absence not due to Sickness or Injury, of 90 days or less; or
- A day during a period of absence that is less than 7 days in duration;

**and if:**

- You are fully capable of performing the major duties of Your Own Occupation for the Employer for the minimum number of hours of an Employee in Your eligible class at 12:01 AM Standard Time for Your place of residence on the scheduled Eligibility Date; and
- You were performing the major duties of Your Own Occupation and working the minimum number of hours of an Employee in Your eligible class on Your last regularly scheduled work day.

Your coverage will start on the scheduled Eligibility Date. However, any coverage or part of coverage for which You must elect and pay all or part of the cost, will not start if You are on an approved leave, layoff or absence and such coverage or part of coverage was not previously in force for You under a prior plan which this Certificate replaced.

Any part of Your coverage which is subject to Proof of Insurability will not start unless You send such proof to Us, and We approve it in writing. Once We have approved it, that part of Your coverage is scheduled to start on Your approved Eligibility Date.

**All Options**

**Delayed Eligibility Date For Long Term Disability Income Coverage:** If due to Sickness or Injury, You are not Actively At Work and working the minimum required number of hours of an Employee in Your eligible class, on Your scheduled Eligibility Date for Long Term Disability, We will postpone coverage for an otherwise covered loss for any condition(s) that prevent you from meeting the Active Work requirement. We will postpone such coverage until You complete one full day of Active Work, working the minimum required number of hours of an eligible class, with the capacity to do so for one full week without missing a work day due to the same condition(s). Coverage for an otherwise covered loss due to all other conditions will start on the date You return to Active Work working the minimum required number of hours of Your eligible class and performing the regular duties of Your Occupation.

## When Coverage Ends

---

Your coverage will end on the first of the following dates:

- The date Your Active Full-Time Work ends for any reason, except as shown below under Continuation Of Coverage.
- The date You stop being an eligible Employee under this Certificate.
- The date You are no longer working in the United States and/or Canada, or no longer working outside of the United States for a United States based Employer in a country or region approved by Us. Any incidental business or personal travel outside of the United States and/or Canada, or outside of a country or region approved by Us, is covered. Such travel will be considered incidental if it is for a period not to exceed 30 consecutive days.
- The date the group Certificate ends, or is discontinued for a class of Employees to which You belong.
- The last day of the period for which required payments are made for You.
- The date You die.

You may have the right to continue certain group benefits for a limited time after Your coverage would otherwise end. Read this Certificate carefully for details and discuss with your Employer or administrator. Any provisions that allow continuation of such group benefits must be offered and administered on a fair and equitable basis.

**CONTINUATION OF COVERAGE**

You may be Disabled when Your Active Full-Time Work ends. In that case, Your coverage will remain in force during the:

- Elimination Period, subject to payment of required premiums; and
- The period of time for which benefits are payable by this Certificate.

But, in order for Your coverage to continue, the Disability:

- Must be covered by this Certificate;
- And benefits must not be excluded due to this Certificate's Pre-Existing Conditions provision, or any other exclusion.

If You're Disabled when Your Active Full-Time Work ends due to a job-related Injury or Sickness for which benefits are not payable, Your coverage will remain in force until the earlier of the date:

- You are terminated from employment with the Employer; or
- You have been Disabled for 6 Months.

**Maximum Payment Period:** The Maximum Payment Period is shown in the Schedule Of Benefits. But, it may be less than that shown due to:

- The nature of Your Disability;
- The date You were first treated for the cause of Your Disability; and
- The length of time You have been covered by this Certificate.

See Disabilities With A Limited Maximum Payment Period and Pre-Existing Conditions.

Benefits payable during the Maximum Payment Period will not be affected by the termination of the Certificate, subject to all the terms and conditions of the Certificate that were in effect on the first date of Your Disability. - You must return to Active Work right after Your benefits end.
- The Disability recurs less than six Months after You were last entitled to benefits.
- The later Disability must be due to the same or related cause of Your earlier Disability.
- This Certificate must not end during Your return to Active Work.
- You must not become covered under any other similar group income replacement plan during the time You return to Active Work.

If all of the conditions listed above are not met, the later Disability will be treated as a new period of Disability. You will be required to satisfy a new Elimination Period. **Calculation of Monthly Benefit:** Your benefit is governed by the terms of this Certificate in effect on the date Disability starts. Any changes to this Certificate that take place as follows are inapplicable to, and will not affect, Your benefit:

- While You are Disabled; or
- During a period of Active Work that occurs between an initial period of Disability and a Recurring Disability.

We calculate Your Gross Monthly Benefit according to the Schedule of Benefits. This Certificate includes Proof of Insurability requirements that may affect the amount of Your Gross Monthly Benefit. The Schedule of Benefits explains these requirements.

From Your Gross Monthly Benefit, subtract the amount of any income listed in Other Income Benefits that You receive or are entitled to receive. The result is Your Monthly Benefit.

B400.0454

## All Options

**Redetermination:** This Certificate redetermines Your Insured Earnings on each March 1st, the Employer must report current Insured Earnings for all Employees under this Certificate. Changes to Your Insured Earnings are subject to any Proof of Insurability requirements that may apply to this Certificate. As of this Certificate's redetermination date, We use Your Insured Earnings on record with Us to:

- set rates;

- project benefit amounts and limits; and
- calculate premium payable under this Certificate.

You must be actively-at-work on a Full-Time basis on that date. If You are not, We do not do this until the date You return to Active Work on a Full-Time basis. But, changes in earnings will not apply to a Recurring Disability.

B400.0475

## All Options

**Other Income Benefits:** You may receive, or be entitled to receive, income shown in the list below.

We will reduce Your Gross Monthly Benefit by such other income benefits to determine Your Monthly Benefit from this Certificate.

- Commissions or monies received, payable but deferred, or paid after Disability benefits start.

This includes:

- Vested and nonvested renewal commissions;
- Bonuses;
- Royalties; and
- Other distributions.
- Disability benefits from any mandated benefit act or law. This includes all temporary disability or state disability benefits required by law.
- Disability benefits from all group policies or plans of the Employer. This includes payments made by a group life insurance plan due to Your Disability. This does not include payments made from a group life insurance plan's:
  - Accelerated death benefit; or
  - Like provision that allows payment of such plan's proceeds due to terminal illness.
- Disability benefits from any other group policy or plan; but, if the other group plan was in force prior to this Certificate, and the other group plan also deducts for disability benefits from any other group plan, We will not deduct these other group disability benefits.
- Income from sick leave, salary continuance or paid time off, exclusive of vacation time accrued prior to Disability, but only to the extent that such income plus the amount of Your Gross Monthly Benefit is more than 100% of Your Indexed Insured Earnings. This applies whether such benefits are sponsored on a formal or informal basis. This includes:
  - Donated;
  - Lump sum; and
  - Recurrent payments of accrued sick leave benefits.

But, if You are working while Disabled, We will account for such income as described in Adjustment of Monthly Benefit for Disability Earnings.

- Income received from partnership distributions but only to the extent that such income plus the amount of Your Gross Monthly Benefit is more than 100% of Your Indexed Insured Earnings.
- Benefits from: The United States Social Security Act; The Railroad Retirement Act; or any other like U.S. or Canadian plan or act.

This includes:

- (a) All disability benefits for which: (i) You are entitled; and (ii) Your spouse and children are entitled due to Your Disability;
- (b) All unreduced retirement benefits for which: (i) You are entitled and awarded; and (ii) Your spouse and children are entitled and awarded due to Your entitlement; and
- (c) All reduced retirement benefits paid to: (i) You; and (ii) Your spouse and children due to Your receipt of such benefits.

We do not reduce Your Gross Monthly Benefit by the retirement benefits described in (b) and (c) above, to the extent that You and Your dependents were entitled and awarded such income prior to the start of Disability. We will reduce the Gross Monthly Benefit by marginal increases in such income You and Your dependents were entitled and awarded after Disability begins.

We will reduce Your Gross Monthly Benefit by Your dependents' benefits described in (a), (b) and (c) above if: (i) the dependents' benefits are provided to You by the Social Security Administration; (ii) at the time that the Social Security Administration makes its first payment of the dependent benefits described in (a), (b), and (c) above, the dependent child remains a minor dependent or an adult Disabled dependent, and (iii) the dependent benefits You are entitled to are greater than any dependent benefit being received by another person. Under these circumstances, We will reduce Your Gross Monthly Benefit by the difference between the amount the dependent was awarded under the prior recipient and the amount awarded the dependent under Your benefits.

We do not reduce Your Gross Monthly Benefit by the benefits to which You are entitled, as described in (a), (b), and (c) above unless such benefits are greater than any widow/widower benefit You are receiving. And then We reduce Your Gross Monthly Benefit by the difference.

- Income of the type that is included in Your Insured Earnings for purposes of determining Your Gross Monthly Benefit under this Certificate.
- That portion of Retirement Plan retirement benefits which the Employer funds.
- That portion of Retirement Plan disability benefits which the Employer funds.

- Retirement benefits or Retirement Plan disability benefits, due to Your Disability, from any Government Plan other than those shown above.
- Disability benefits from any:
  - No-Fault Motor Vehicle Coverage;
  - Motor vehicle financial responsibility act; or
  - Like law.
- Payment or settlement, with or without admission of liability, from: A Workers' Compensation law; an occupational disease law; or any other act or law of like intent.

This includes:

- The Jones' Act;
- The Longshoreman's and Harbor Workers' Compensation Act; or
- Any Maritime doctrine of Maintenance, Wages or Cure.

If You receive a payment net of attorney fees approved by the Workers' Compensation Board or similar authority, We reduce Our benefit by the net payment.

- Disability benefits from any third party when Your Disability is the result of the negligence or intentional tort liability of that third party.
- Unemployment compensation benefits.
- Payment from Your Employer as part of a termination or severance agreement.

We reduce Your Gross Monthly Benefit with income shown above that You are entitled to receive without regard to the reason You are entitled to receive it.

Our right to reduce Your benefit by such income shall not be negated by a transfer of claim liability to a third party. Payment by such third party by law, settlement, judgment, waiver or otherwise shall not negate Our right.

- Profit sharing plans;
- Thrift plans;
- Tax sheltered annuities;

- Cancer insurance, unless the benefit is paid out as a wage replacement benefit.

#### All Options

**Lump Sum Payments of Other Income:** Income with which We integrate may be paid in a lump sum. In this case, We take the equivalent Monthly rate stated in the award into account when We determine Your Monthly Benefit.

If no Monthly rate is given, We pro-rate the lump sum over the lesser of:

- 60 months; or
- The expected remaining number of Months for which You would be entitled to benefits from this Certificate based on the proof of loss submitted to Us.

B400.0486

#### All Options

**Cost of Living Freeze:** You may receive a cost of living increase in other income with which We integrate. In this case, We do not further reduce Your Monthly Benefit by the amount of such increase.

B400.0487

#### All Options

**Application For Other Income:** You must apply for other income benefits to which You may be entitled. If these benefits are denied, You must appeal until:

- All reasonable appeals have been made; or
- We notify You that no further appeals are required.

If We determine that You are entitled to receive such other income benefits, We will estimate the amount due to You and Your Spouse and children. We will take this estimated amount into account when We determine Your Monthly Benefit.

But, We will not estimate the amount due to You if You and We agree in writing in an agreement provided to You by Us that You will:

- Apply for any benefits for which You may be eligible;
- Appeal any denial of such benefits until all reasonable appeals have been made; and
- Repay any amount We overpaid due to an award of such benefits.

If We do reduce Your Gross Monthly Benefit by an estimated amount, We will adjust Your Monthly Benefit when We receive written proof:

- Of the amount awarded; or
- That the other income benefits have been denied; and no further appeals are possible.

If We underpay You, We will pay the full amount of the underpayment in a lump sum.

We will assist You in applying for other income benefits.

B400.0488

## All Options

**Adjustment of Monthly Benefit For Disability Earnings:** We adjust the Monthly Benefit for Disability Earnings as follows:

For each of the first 12 Months after the date You first have Disability Earnings, add Your Gross Monthly Benefit and Your Disability Earnings.

- If the sum is not more than 100% of Your Indexed Insured Earnings, We do not reduce Your Monthly Benefit.
- If the sum is more than 100% of Your Indexed Insured Earnings, We reduce Your Monthly Benefit by the amount over 100% of Your Indexed Insured Earnings.

For each Month after that, We pay the greater of the amount calculated under Method 1 or Method 2.

Method 1:

- If Your Disability Earnings are less than 20% of Your Indexed Insured Earnings, We do not reduce Your Monthly Benefit.
- If Your Disability Earnings are 20% or more of Your Indexed Insured Earnings, We reduce Your Monthly Benefit by 50% of Your Disability Earnings.

Method 2:

- (1) Subtract Your Disability Earnings from Your Indexed Insured Earnings.

- (2) Divide the result in (1) above by Your Indexed Insured Earnings.
- (3) Multiply the result in (2) above by Your Monthly Benefit. This is the amount We pay.

If Your Disability Earnings fluctuate widely from Month to Month, We may adjust Your Monthly Benefit using an average Disability Earnings amount. The average Disability Earnings amount will be computed using Your most current Month's Disability Earnings and the prior two Months Disability Earnings.

B400.0491

## All Options

**Maximum Allowable Disability Earnings:** This Certificate limits the amount of income You may earn, or may be able to earn, and still be considered Disabled.

If Your Disability Earnings are more than the limit shown below, payments from this Certificate will end. Payments from this Certificate will also end if You are able to earn more than the limit shown below:

- During the Own Occupation period, the limit is 80% of Your Indexed Insured Earnings.
- After this Certificate has paid benefits for 24 Months in a row, the limit is 80% of Your Indexed Insured Earnings if You are Working While Disabled, or 60% of Your Indexed Insured Earnings if You are not Working While Disabled.

B400.0495

## All Options

**Indexing:** We apply an indexing factor to Your Insured Earnings on the date You have received 12 Monthly payments in a row and each anniversary after that. This factor increases the amount of income You may earn and still be considered Disabled. This adjustment does not increase Your Gross Monthly Benefit, Monthly Benefit, or any other benefit under this Certificate.

To make the first adjustment, We multiply Your Insured Earnings by the indexing factor for that year. To make adjustments in each later year, We multiply the amount of Your last indexed Insured Earnings by the indexing factor.

The indexing factor is the lesser of:

- 10%; or
- One-half of the average CPI-W from the prior calendar year.

B400.0497

## All Options

**Minimum Payment:** The minimum Monthly payment for Disability under this Certificate is the larger of: 10% of Your Gross Monthly Benefit; or \$100.00.

B400.0503

## Limitations And Exclusions

---

**Disabilities With A Limited Maximum Payment Period:** We limit the Maximum Payment Period, if You are Disabled due to: a Mental Illness; drug or alcohol abuse. If You have a coexistent condition(s), which is not subject to the limits in this section, and constitutes a Disability in and of itself, We will not limit benefits as described below.

The Maximum Payment Period for all periods of Disability due to: a Mental Illness; drug or alcohol abuse; is 24 Months. This is a combined lifetime maximum for all such conditions and all periods of Disability.

No benefits will be paid for Disability due to a Mental Illness or drug or alcohol abuse if You are not receiving treatment for the cause of the Disability from a provider, or a facility that is:

- Licensed by the state to provide treatment for such condition; and
- Accredited or approved by the Joint Commission on the Accreditation of Health Care Facilities or Medicare.

If payments under this Certificate would otherwise end due to the limits in this section, We may extend such payments if You meet all of the following conditions:

- You must be Disabled due to a condition named above;
- You must be an inpatient in a qualified institution because of Your Disability; and
- You must have been treated as an inpatient for at least 14 days in a row.

In such case, We will extend payments, if You are Disabled and otherwise remain entitled to payments under the Certificate, until the earliest of:

- 90 days from the date of Your discharge, following the date benefits would otherwise have ended;
- The end of this Certificate's Maximum Payment Period; or
- The date Your Disability ends.

As used here, "qualified institution" means a legally operated hospital or other public or private facility licensed to provide inpatient medical care and treatment for the cause of Your Disability.

B400.0512

**Pre-Existing Conditions:** A Pre-Existing Condition is an Injury or Sickness, whether diagnosed or misdiagnosed, and any symptoms of it, for which, in the "look back period", You:

- Receive advice or treatment from a Doctor;

- Underwent diagnostic procedures other than routine screening in the absence of symptoms or suspicion of disease process by a Doctor;
- Were prescribed or took prescription drugs; or
- Received other medical care or treatment, including consulting with a Doctor.

The "look back period" is the six Months before the latest of:

- Your Eligibility Date for coverage under this Certificate;
- The Effective Date of a change that increases the benefits payable by this Certificate; or
- The Eligibility Date of a change in Your benefit election that increases the benefit payable by this Certificate.

No benefits are payable for Disability caused by, contributed to, by, or resulting from a Pre-Existing Condition; unless the Disability starts after You complete at least one full day of Active Work after the date You have been covered under this Certificate for 24 Months in a row.

Your Disability caused by, contributed to, by, or resulting from a Pre- Existing Condition may begin after:

- A change which provides for an increase in the benefits payable by this Certificate; or
- A change in Your benefit election which increases the benefit payable by this Certificate.

In this case, Your benefit will be limited to the amount that would have been payable had the change not taken place. But, this limit does not apply if Your Disability starts after You complete at least one full day of Active Work after the date the change has been in force for 24 Months in a row.

We do not cover any Disability that starts before Your Eligibility Date for coverage under this Certificate.

B400.0518

## All Options

**Prior Coverage Credit:** If this Certificate replaces a similar disability income replacement plan the Employer had with another insurer, the Pre-Existing Condition provision may not apply to You, if coverage under this Certificate starts immediately after the termination of coverage under the prior disability income replacement plan. This Certificate must start right after the prior plan ends.

The Pre-Existing Condition provision will be waived for You if You:

- Are Actively Working on the Your Eligibility Date for coverage under this Certificate; and
- Have fulfilled the requirements of any Pre-Existing Condition provision of the prior plan provided by the Employer.

You may have been covered under the prior plan when it ended, but have not met the requirements of any Pre-Existing Condition provision of the prior plan. In that case, We credit any time used to meet the prior plan's Pre-Existing Condition provision toward meeting this Certificate's Pre-Existing Conditions provision. You must:

- Enroll for coverage under this Certificate on or before this Certificate's Effective Date; and
- Be Actively Working on Your Eligibility Date for coverage under this Certificate.

But, We limit Your maximum Monthly Benefit under this Certificate if:

- It is more than the maximum Monthly Benefit for which You were covered under the prior plan provided by the Employer;
- You become Disabled due to a Pre-Existing Condition; and
- This Certificate pays benefits for such Disability because We credit time as explained above.

In this case, We limit the maximum Monthly Benefit to the amount to which You would have been entitled under the prior plan.

We deduct all payments made by the prior plan under an extension provision.

B400.0520

## All Options

**Exclusions:** This Certificate does not pay benefits for Disability caused by, or related to:

- Declared or undeclared war, act of war, or armed aggression;
- Service in the armed forces, National Guard, or military reserves of any state or country;
- Your taking part in a riot or civil disorder;
- Your commission of, or attempt to commit a felony. A felony means either:
  - A crime as defined as such under the laws in the jurisdiction in which the crime was committed or attempted; or
  - In states where the law does not define crimes in terms of felonies and misdemeanors, felony means any crime punishable for a minimum of one year term of incarceration in a jail or prison, as determined by the law of the jurisdiction where the crime was committed or attempted; or
  - A crime as defined as such under federal law;
- The intentional or voluntary inhalation or ingestion of gas, chemical, solvent, poison or other substances not intended for internal consumption, irrespective of any pre-existing or co-morbid condition;

- Intentional self-inflicted injuries while sane or insane.

This Certificate does not pay any benefits for any period of Disability:

- During which You are confined to a jail, prison or other facility as a result of Your conviction of a crime;
- During which You are receiving medical treatment or care outside the United States or Canada unless expressly authorized by Us;
- Which starts before You are covered by this Certificate;
- After the date You have been outside the United States and/or Canada and/or a country or region approved by Us for more than 2 Months in a 12 Month period. If You return to the United States and/or a country or region approved by Us within 6 Months of the end of payments, payments may be resumed, provided You have remained continuously Disabled, subject to all the terms and conditions of this Certificate; or
- During which Your loss of earnings is not solely due to Your Disability.

This Certificate does not pay benefits due solely to a risk of relapse or exacerbation of a prior injury or illness in the absence of a current impairment and Disability.

B400.0522

**Social Security Assistance:** If You are Disabled, We require You to apply for Social Security benefits. See Application for Other Income. If We believe You are eligible for such benefits, We may offer to assist You in applying for them. Receiving Social Security benefits will protect Your earnings record for retirement and enable You to qualify for Medicare coverage after 24 Months.

Services We can provide include:

- Help in completing Your application for such benefits, and any related forms;
- Assistance finding suitable legal counsel; and
- Copies of medical and vocational data needed to file Your claim.

We may also provide these and other services if Your benefits are under review for possible termination by the Social Security Administration.

You must apply for all income benefits for which You may be eligible, whether or not You use Our help. Using Our help does not cancel Your duties shown in Application for Other Income.

**Rehabilitation And Case Management:** We will review Your Disability to see if certain services are likely to help You return to Gainful Work. If needed, We may ask for more medical or vocational information.

When Our review is complete, We may offer You a Rehabilitation Program. We have the right to suspend or end Your Monthly Benefit if You do not accept it.

The Rehabilitation Program will start when a written Rehabilitation Agreement is signed by:

- You;
- Us; and
- Your Employer, if needed.

The program may include, but is not limited to:

- Vocational assessment of Your work potential;
- Coordination and transition planning with an Employer for Your return to work;
- Consulting with Your Doctor on Your return to work and need for accommodations;
- Training in job seeking skills and resume preparation; and
- Retraining.

We have the right to determine which services are appropriate.

If You accept the Rehabilitation Agreement, We will pay an enhanced benefit. The enhanced benefit will be 110% of the Monthly Benefit that would otherwise be paid. This enhanced benefit will be payable as of the first Monthly Benefit after the Rehabilitation Program starts.

We stop paying the enhanced benefit on the earliest of:

- The date Your benefits from this Certificate end;
- The date You violate the terms of the Rehabilitation Agreement;
- The date You end the Rehabilitation Program; or
- The date the Rehabilitation Agreement ends.

If You end a Rehabilitation Program without Our consent, You must repay any enhanced benefits paid.

**Dependent Care Expenses:** While You are participating in a Rehabilitation Program, We will pay a dependent care expense benefit, when all of the following conditions are met:

- You incur expense to provide care for a qualified dependent; and
- The care is provided by a licensed provider other than a family member by blood or marriage.

The dependent care expense benefit will be the lesser of:

- \$350.00 per Month per qualified dependent; not to exceed \$1,000.00 per Month for all qualified dependents combined; and
- The actual Monthly day care expense incurred by You.

We will stop paying the dependent care expense benefit on the earlier of the date You are no longer:

- Incurring dependent care expenses for a qualified dependent;
- Participating in a Rehabilitation Program; or
- Entitled to receive a Monthly Benefit from this Certificate.

As used here, "qualified dependent" means a person who is:

- Dependent upon You for main support and maintenance; and
- Under the age of 14; and
- Your biological child, lawfully adopted child, stepchild or any other child who is living with You in a regular parent-child relationship.

The term also means a family member, related by blood or marriage, age 14 or over who is physically or mentally incapable of caring for him or herself and is dependent upon You for main support and maintenance.

B400.0523

## All Options

**Worksite Modification:** In order to accommodate Your Disability, an Employer may incur a cost to modify his or her worksite. We may reimburse the Employer, up to \$2,500.00 for the cost of the worksite modification. We make this payment if We agree that the modification will enable You to:

- Return to work; or
- Remain at work.

When You are Disabled from one of the conditions listed below, a Long Term Disability claim form should be completed as soon as possible following the date of Disability. To facilitate an immediate intervention, the form should be submitted to Us within one week of the date Your Disability begins.

**Authority:** We have discretionary authority to:

- Interpret the terms of this Certificate; and
- Determine Your eligibility for coverage and benefits under this Certificate.

**Lien Rights:** We will have a lien to the extent of benefits We paid due to Your Injury, Sickness or condition for which the third party is liable. The lien will be imposed on any recovery, whether by settlement, judgment, or otherwise, including from any insurance coverage, that You receive due to Your Injury, Sickness or condition. - To compensate You in part or in whole for the damages sustained.

This Certificate is not required to participate in or pay court costs or attorney fees to the attorney hired by You to pursue Your damage claim.

- The settlement or judgment received by You identifies the benefits the Certificate paid.

This Certificate is entitled to recover from any and all settlements or judgments, even those designated as pain and suffering or non-economic damages only.

You must notify Us within 30 days of the date when any notice is given to any party, including an insurance company or attorney, of Your intention to pursue or investigate a claim to recover damages or obtain compensation due to Injury, Sickness or condition sustained by You. You and Your agents, must provide all information requested by Us or Our representative. This includes, but is not limited to, completing and submitting any applications or other forms or statements as We may reasonably request. You must do nothing:

- To prejudice Our rights as described in this section; or
- To prejudice Our ability to enforce the terms of this section.

This includes, but is not limited to, refraining from making any settlement or recovery that attempts to reduce or exclude the full amount of all benefits paid by this Certificate.

We have the right to conduct an investigation regarding the Injury, Sickness or condition to identify any third party. We reserve the right to notify the third party and his or her agents of Our lien. Agents include, but are not limited to:

**Proof of Insurability Requirements** Depending on the coverage sought, You may be required to supply proof that the person applying for coverage is insurable for the type and amount of coverage selected. This requirement is called Proof of Insurability. For purposes of this section, any person applying for coverage requiring Proof of Insurability is referred to as an "applicant."

To determine if the applicant is required to submit Proof of Insurability for the type and amount of coverage sought, please see below.

Any applicant required to submit Proof of Insurability must complete and submit to Us an acceptable Enrollment/Change form. We may also require the completion of additional forms so that we may determine whether the applicant is insurable, according to Our underwriting standards for the type and amount of insurance for which the applicant applied. To determine if the applicant is insurable, We may also need to obtain and review the applicant's:

- Health and medical history;
- Prescription history;
- Records relating to treatment;
- Diagnostic testing;
- Hospitalization and the like; and
- Records pertaining to the applicant's driving and motor vehicle history.

No coverage requiring Proof of Insurability will become effective unless and until it is approved by Us in writing. Our receipt of any premiums associated with coverage requiring Proof of Insurability does not waive or modify any requirement that must be satisfied for coverage to begin, including but not limited to the requirement that the applicant submit Proof of Insurability. In the event that any premiums are overpaid, Our only obligation is to return the amount of overpaid premiums

The Employer, or its designee, must give Us complete and accurate information so that we may determine:

- Who is insured;
- The type and amount of coverage for which someone is insured; and
- Any other information required so that Guardian may meet its obligations under the Certificate.

We require proof as follows:

If You:

- Do not meet this Certificate's enrollment requirement within 30 days after You first become eligible; or
- Enroll after You previously had coverage which ended because You failed to make a required payment, We will ask for Proof Of Insurability.

And, You will not be covered until We approve that proof in writing.

If Your active Full-Time work ends before You meet any Proof Of Insurability requirements that apply You will still have to meet those requirements if You are later re-employed by the Employer or an associated company within 30 days.

Any level of coverage that requires Proof of Insurability takes effect on the date We approve that proof in writing. But, You must be Actively At Work on a Full-Time basis on that date. If You are not, the new level of coverage will take effect on the date You return to Active Work on a Full- Time basis. In any case, the new level of coverage will not apply to a Recurring Disability.

### Changes To Coverage

**Changes In Coverage Amounts** If You are not Actively At Work on a Full-Time basis, any change in Your amount of coverage will not become effective prior to the date You return to Active Work on a Full-Time basis.

**Changes In Insurance Classification** If Your classification changes, coverage will not be changed to the new amount until the first day on which You are: (1) Actively At Work on a Full-Time basis; and (2) make a contribution, if required, for the new classification.

If a contribution is required for the new classification for which a larger amount of coverage is provided, You must make the required contribution for the new amount within 31 days of the change. If You do not make the required contribution within 31 days of the change or within 31 days of becoming Actively At Work on a Full-Time basis, if You are not Actively At Work on a Full-Time basis, when Your classification changes, no increase will be allowed due to such change or any later change. In that case, in order to become covered for the larger amount, You must:

- Make the required contribution for the new amount; and
- Furnish Proof of Insurability to Us, which We approve in writing.

If the coverage amount was previously reduced because of age or retirement, it will be retained at the reduced amount.

### CERTIFICATE RIDER

This Rider is effective as of the effective date of the Employee's Certificate. If this Rider is added to an inforce Certificate, the Rider becomes effective on its issue date. This Rider amends the Certificate by the addition of the following:

---

#### Income Recovery Benefit Rider

This Rider may pay an Income Recovery Benefit, if Monthly Benefits cease because You are no longer Disabled.

To be eligible for the Income Recovery Benefit, You must be:

- Able to perform the major duties of Your Own Occupation or, if the Certificate has paid all benefits for the Own Occupation period, able to perform the major duties of any Gainful Occupation;
- Working in Your Own Occupation or, if the Certificate has paid all benefits for the Own Occupation period, Your Gainful Occupation, the same number of hours as You did prior to Disability;
- Unable to earn the Certificate's maximum allowable Disability Earnings, due to the Sickness or Injury which caused the prior Disability.

We pay this benefit Monthly, in arrears. We determine the amount We pay in two steps.

In step one, We compute the following: (1) Your Gross Monthly Benefit as of the last month You were Disabled under the terms of the Certificate; less (2) Other Income Benefits.

In step two, We make a current earnings adjustment.

We add:

- Your Gross Monthly Benefit as of the last month You were Disabled under the terms of the Certificate; and
- Your current Disability Earnings.

If such sum exceeds 100% of Your Insured Earnings, We pay the amount in step one less the excess over 100%. If such sum does not exceed 100%, We pay the amount in step one.

We stop paying this benefit on the earliest of:

- The date You are able to earn the Certificate's maximum allowable Disability Earnings;
- The date You become Disabled;
- The date You stop working;
- The date 12 months in a row after the first Income Recovery Benefit is paid; or

- The end of the Maximum Payment Period.

We will not pay more than 12 monthly Income Recovery Benefit payments following any one period of Disability, including any Recurring Disability.

This Rider is a part of the Certificate. Except as stated in this Rider, nothing contained in this Rider changes or affects any other terms of the Certificate.

**What We Pay:** We may pay a Survivor Benefit if You die after You:

- Had been Disabled for at least six months in a row; and
- Were entitled to receive at least one full Monthly Benefit prior to Your death.

When We receive proof of Your death, We pay Your Eligible Survivor a lump sum benefit.

But, We first apply such benefit to reduce any overpayment You may owe Us.

If You have no Eligible Survivor, no Survivor Benefit is paid.

#### Accelerated Survivor Benefit

If You have a terminal illness, We may accelerate payment of this Rider's Survivor Benefit.

For purposes of the accelerated Survivor Benefit, a terminal illness means a medical condition that is expected to result in Your death within 6 months.

To receive an accelerated Survivor Benefit, You must:

- Be entitled to receive a Monthly Benefit from the Certificate;
- Request this benefit in writing; and

## CERTIFICATE AMENDATORY RIDER

---

This Rider is effective on the Policy Date. If this Rider is added after the Policy Date, the Rider becomes effective on its issue date.

This Rider amends the Certificate by the replacement of the following Benefit Provisions:

**Other Income Benefits:** You may receive, or be entitled to receive, income shown in the list below.

We will reduce Your Gross Monthly Benefit by such other income benefits to determine Your Monthly Benefit from this Certificate.

- Commissions or monies received, payable but deferred, or paid after Disability benefits start.

This includes:

- Vested and nonvested renewal commissions;
- Bonuses;
- Royalties; and
- Other distributions.
- Disability benefits from any mandated benefit act or law. This includes all temporary Disability or state Disability benefits required by law.
- Disability benefits from all group policies or plans of the Employer. This includes payments made by a group life insurance plan due to Your Disability. This does not include payments made from a group life insurance plan's:
  - Accelerated death benefit; or
  - Like provision that allows payment of such plan's proceeds due to terminal illness.
- Disability benefits from any other group policy or plan; but, if the other group plan was in force prior to this Certificate, and the other group plan also deducts for Disability benefits from any other group plan, We will not deduct these other group Disability benefits.
- Income from sick leave, salary continuance or paid time off, exclusive of vacation time accrued prior to Disability, but only to the extent that such income plus the amount of Your Gross Monthly Benefit is more than 100% of Your Indexed Insured Earnings. This applies whether such benefits are sponsored on a formal or informal basis. This includes:
  - Donated;
  - Lump sum; and
  - Recurrent payments of accrued sick leave benefits.

But, if You are Working While Disabled, We will account for such income as described in Adjustment of Monthly Benefit for Disability Earnings.

- Income received from partnership distributions but only to the extent that such income plus the amount of Your Gross Monthly Benefit is more than 100% of Your Indexed Insured Earnings.
- Benefits from: The United States Social Security Act; The Railroad Retirement Act; or any other like U.S. or Canadian plan or act.

This includes:

- (a) All Disability benefits for which: (i) You are entitled; and (ii) Your Spouse and children are entitled due to Your Disability;
- (b) All unreduced retirement benefits for which: (i) You are entitled and awarded; and (ii) Your Spouse and children are entitled and awarded due to Your entitlement; and
- (c) All reduced retirement benefits paid to: (i) You; and (ii) Your Spouse and children due to Your receipt of such benefits.

We do not reduce Your Gross Monthly Benefit by the retirement benefits described in (b) and (c) above, to the extent that You and Your dependents were entitled and awarded such income prior to the start of Disability. We will reduce the Gross Monthly Benefit by marginal increases in such income You and Your dependents were entitled and awarded after Disability begins.

We will reduce Your Gross Monthly Benefit by Your dependents' benefits described in (a), (b) and (c) above if: (i) the dependents' benefits are provided to You by the Social Security Administration; (ii) at the time that the Social Security Administration makes its first payment of the dependent benefits described in (a), (b), and (c) above, the dependent child remains a minor dependent or an adult Disabled dependent, and (iii) the dependent benefits You are entitled to are greater than any dependent benefit being received by another person. Under these circumstances, We will reduce Your Gross Monthly Benefit by the difference between the amount the dependent was awarded under the prior recipient and the amount awarded the dependent under Your benefits.

We do not reduce Your Gross Monthly Benefit by the benefits to which You are entitled, as described in (a), (b), and (c) above unless such benefits are greater than any widow/widower benefit You are receiving. And then We reduce Your Gross Monthly Benefit by the difference.

- Income of the type that is included in Your Insured Earnings for purposes of determining Your Gross Monthly Benefit under this Certificate.
- That portion of Retirement Plan retirement benefits which the Employer funds.
- That portion of Retirement Plan Disability benefits which the Employer funds.

- Retirement benefits or Retirement Plan Disability benefits, due to Your Disability, from any Government Plan other than those shown above.
- Disability benefits from any:
  - No-Fault Motor Vehicle Coverage;
  - Motor vehicle financial responsibility act; or
  - Like law.
- Payment or settlement, with or without admission of liability, from: A Workers' Compensation law; an occupational disease law; or any other act or law of like intent.

This includes:

- The Jones' Act;
- The Longshoreman's and Harbor Workers' Compensation Act; or
- Any Maritime doctrine of Maintenance, Wages or Cure.

If You receive a payment net of attorney fees approved by the Workers' Compensation Board or similar authority, We reduce Our benefit by the net payment.

- Disability benefits from any third party when Your Disability is the result of the negligence or intentional tort liability of that third party.
- Unemployment compensation benefits.
- Payment from Your Employer as part of a termination or severance agreement.
- Payments from a paid leave, or a similar plan that pays for an approved leave, but only to the extent that such income plus the amount of Your Gross Monthly Benefit is more than 100% of Your Insured Earnings.

We reduce Your Gross Monthly Benefit with income shown above that You are entitled to receive without regard to the reason You are entitled to receive it.

Our right to reduce Your benefit by such income shall not be negated by a transfer of claim liability to a third party. Payment by such third party by law, settlement, judgment, waiver or otherwise shall not negate Our right.

**STATEMENT OF ERISA RIGHTS**

---

The Guardian Life Insurance Company of America  
10 Hudson Yards  
New York, New York 10001  
(212) 598-8000

Your group Short Term and/or Long Term Disability Income benefits may be covered by the Employee Retirement Income Security Act of 1974 (ERISA). If so, You are entitled to certain rights and protections under ERISA.

ERISA provides that all plan participants shall be entitled to:

**Receive Information about Your Plan and Benefits**

- (a) Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- (b) Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- (c) Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

**Prudent Actions by Plan Fiduciaries**

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including Your employer, Your union, or any other person may fire You or otherwise discriminate against You in any way to prevent You from obtaining a welfare benefit or exercising Your rights under ERISA.

**Enforcement of Your Rights**

If Your claim for a welfare benefit is denied or ignored, in whole or in part, You have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules (see Claims Procedures below).

Under ERISA, there are steps You can take to enforce the above rights. For instance, if You request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, You may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay You up to \$110.00 a day until You receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If You have a claim for benefits which is denied or ignored, in whole or in part, You may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if You are discriminated against for asserting Your rights, You may seek assistance from the U.S. Department of Labor, or You may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If You are successful, the court may order the person You sued to pay these costs and fees. If You lose, the court may order You to pay these costs and fees, for example, if it finds that Your claim is frivolous.

**Assistance with Questions** If You have questions about the plan, You should contact the plan administrator. If You have questions about this statement or about Your rights under ERISA, or if You need assistance in obtaining documents from the plan administrator, You should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in Your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about Your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

**Disability Benefits Claims Procedure** If You seek benefits under the plan You should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from The Guardian Life Insurance Company of America (hereinafter referenced as Guardian).

Guardian is the Claims Fiduciary with discretionary authority to interpret and construe the terms of the Policy, the Certificate, the Schedule of Benefits, and any riders, or other documents or forms that may be attached to the Certificate or the Policy, and any other plan documents. Guardian has discretionary authority to determine eligibility for benefits and coverage under those documents. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide Your claim.

In addition to the basic claim procedure explained in Your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of ERISA.

**Definitions** "Adverse determination" means any denial, reduction or termination of a benefit or failure to provide or make payment (in whole or in part) for a benefit.

**Timing for Initial Benefit Determination** The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

Guardian will provide a benefit determination not later than 45 days from the date of receipt of a claim. This period may be extended by up to 30 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 45-day period. Such notification will include the reason for the extension and a date by which the determination will be made. If prior to the end of the 30-day period Guardian determines that an additional extension is necessary due to matters beyond the control of the plan, and so notifies the claimant, the time period for making a benefit determination may be extended for up to an additional period of up to 30 days. Such notification will include the special circumstances requiring the extension and a date by which the final determination will be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

B997.0232

**Adverse Benefit  
Determination**

If a claim is denied, Guardian will provide a notice that will set forth:

- The specific reason(s) for the adverse determination;
- References to the specific provisions in the Policy, Certificate, plan or other documents, on which the determination is based;
- A description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary;
- A description of the plan's claim review procedures which a claimant may follow to have a claim for benefits reviewed and the time limits applicable to such procedures;
- A statement disclosing any internal rule, guideline, protocol or similar criterion relied on in making the adverse benefit determination (or a statement that such information will be provided free of charge upon request); or a statement that no internal rule, guideline, protocol or similar criterion was relied upon in making the adverse benefit determination;
- If applicable, an explanation of the basis of disagreement with or not following the views presented by You, of health care professionals who treated You and vocational professionals who evaluated You;

- If applicable, an explanation of the basis for disagreeing with or not following the views of any medical or vocational expert whose advice was obtained on our behalf in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the determination;
- If applicable, an explanation of the basis for disagreeing with or not following a Disability determination made by the Social Security Administration that You present to us;
- A description of the plan's review procedures and the time limits applicable to such procedures, including a statement of the claimant's right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination on appeal, and;
- In the case of an adverse benefit determination based on medical necessity or experimental treatment, notice will either include an explanation of the scientific or clinical basis for the determination, or a statement that such explanation will be provided free of charge upon request.

**Appeal of Adverse  
Benefit  
Determinations**

If a claim is wholly or partially denied, the claimant will have up to 180 days to make an appeal. Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- The opportunity to submit written comments, documents, records and other information relating to the claim;
- The opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relevant to the claim; and
- A review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will:

- Provide for a review conducted by a named fiduciary who is neither the person who made the initial adverse determination nor that person's subordinate;
- In deciding an appeal based upon a medical judgment, consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;
- Identify medical or vocational experts whose advice was obtained in connection with an adverse benefit determination; and
- Ensure that a health care professional engaged for consultation regarding an appeal based upon a medical judgment shall be neither the person who was consulted in connection with the adverse benefit determination, nor that person's subordinate.

Guardian will notify the claimant of its decision not later than 45 days after receipt of the request for review of the adverse determination. This period may be extended by an additional period of up to 45 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 45-day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made.

In the event Guardian denies the appeal of an adverse benefit determination, it will:

- Provide the specific reason or reasons why the appeal was denied;
- Refer to the specific provisions in the Policy, Certificate, plan, or other documents on which the benefit determination is based;
- Provide a statement that the claimant is entitled to receive, upon request and free of charge, reasonably access to, and copies of all documents, records, and other information relevant to the claimant's claim for benefits;
- Provide a statement disclosing any internal rule, guideline, protocol or similar criterion relied on in making the adverse benefit determination (or a statement that such information will be provided free of charge upon request); or a statement that no internal rule, guideline, protocol or similar criterion was relied upon in making the adverse benefit determination;

## Guide basics

### **This Member Guide is part of a group insurance Plan**

We've entered into an agreement with the Planholder listed on the first page to provide this insurance coverage. The details of the agreement are contained in a Policy we've issued to the Planholder.

This is the member guide part of the Policy. This member guide is considered a certificate of insurance. It's important because it tells you how this insurance coverage works. To make things easier, we usually refer to this simply as the guide.

Unless we specifically say otherwise, when we mention "you" and "your" in this guide, we're referring to you, a member of the organization listed on the first page as the Planholder. Where we say "we" and "us", we're referring to The Guardian Life Insurance Company of America. We usually refer to ourselves simply as Guardian.

If you're eligible for coverage, as explained in the **Who's eligible** section of this guide, this coverage offers the benefits for which you've enrolled and paid the appropriate premium.

Some benefit amounts may require you to submit information about your health before we'll agree to insure you for the full amount. Please see the **Information about your health** section and the **Information about your family's health section** for more information.

If you have any questions about whether this coverage is available to you, check with the Planholder.

If we mention "calendar year" in this guide, we mean the period that begins on January 1st and ends on December 31st.

### **How this guide is organized**

This guide has five sections. Here's what you'll find in each section:

- **Your benefits**  
This section will help you understand the benefits that are available through this guide. We'll also explain the situations where benefits won't be paid. And we'll tell you what could change your benefits.
- **How to submit a claim**  
This is where you'll find how you can submit a claim for benefits.
- **Member coverage & family coverage**  
Here's where we explain who's eligible for this coverage and what you need to do to obtain coverage. We also explain when your coverage begins and when it ends.
- **Other things you should know about getting and keeping this coverage**  
You should review and understand these other items that are also important to your coverage.
- **Covered Illnesses Guide**  
This may be a separate document but is considered part of this guide. It lists the different illnesses covered by this guide and explains the details and requirements you need to know.

The Covered Illnesses Guide is the Policyholder's responsibility to give members.

**If this guide is translated into another language**

If this guide is translated into another language, the English language version will be used to resolve any disputes or conflicts.

### Covered Illnesses

The illnesses that are covered by this guide are listed in the table below. You'll see each illness has a percentage that appears next to it for its first occurrence. This is the percentage of your benefit amount we'll pay if you become eligible to receive benefits for the first occurrence of that illness.

For some illnesses, you'll see there's also a percentage listed for a recurrence of that illness. This is the percentage of your benefit amount we'll pay if you become eligible to receive benefits for a recurrence of that illness.

A recurrence is when an illness that previously occurred returns or happens again. See the **Recurrent illnesses** section for more information on when benefits are available for an illness that recurs.

See the Covered Illnesses Guide for a detailed explanation of each illness and when it occurs.

If family members are covered by this guide we'll pay the same percentage listed below, but it will be a percentage of the benefit amount for the family member that has the illness.

### Legal action

You can't bring a legal action under this Plan until 60 days after you've submitted proof of loss. You also can't bring a legal action more than three years from the time proof of loss is required, or the date we make a final decision on your claim, whichever is later.

In the case of death, we can have an autopsy performed if it's permitted by law.

# Member coverage

## Who's eligible

To be eligible for coverage under the Plan, you must meet the following requirements:

### You must be in an eligible class of members

Your Planholder may choose to offer coverage to all members or only to those in certain job classifications.

A job classification, or class of member, is a group of members that fit into the same category. For example, a Planholder could have one class for hourly employees and another class for salaried employees.

If only certain classes are eligible for coverage, you must be in one of these classes to obtain coverage. If you have any questions about your eligibility, please contact your Planholder.

### You must meet the minimum number of working hours required

You need to be actively working and performing the regular duties of your job. You must be working the number of hours your Planholder requires for your class, and not less than 30 hours per week.

Temporary, contract and seasonal workers aren't eligible for coverage under this Plan.

### You must work and live in an approved location

You must be working at a location approved by your Planholder. We must approve your working or living in a country or region outside of the United States before you can be covered by this Plan. If you have any questions about this requirement, please contact your Planholder.

### You must wait to be eligible for coverage

Your Planholder has a waiting period that new members must meet before they can be eligible for this coverage. Your Planholder can tell you if you must meet a waiting period and how long it lasts.

## All Options

## How to get coverage

If you meet the eligibility rules listed above, you must also do the following to obtain coverage:

### You must enroll within the time allowed

You must enroll within 31 days of the date you first become eligible for coverage.

### You can also enroll when you have a qualifying life event

If you don't enroll within the time allowed, you can enroll or change your benefit selections within 31 days of a qualifying life event. This includes:

- Your coverage ending under another critical illness plan
- Your legal separation or divorce or dissolution of a civil union
- Your loss of coverage under your spouse's critical illness plan
- An event required by state or federal law or specified by your Planholder's guidelines

See the **Things that can increase your benefits** and **Things that can decrease your benefits** sections for information on changing your benefit selections.

## What happens if you enroll late

If you don't enroll within the time allowed, you'll be able to enroll during the next open enrollment period.

Enrollment periods usually occur once every year. We agree with your Planholder on when open enrollment periods happen, and how long they last.

If you have any questions about the open enrollment periods or when you can enroll, please contact your Planholder.

### **Your premium must be paid**

We must receive the premium required for your coverage.

B660.0754

## **All Options**

### **When your coverage begins**

If you're eligible for coverage and have done what's required to obtain coverage, as explained under **How to get coverage**, your coverage begins at 12:01 AM Eastern Standard Time on the first day you become eligible for coverage.

If, because of a qualifying life event, you're permitted to enroll for coverage outside the time normally allowed, your coverage begins 12:01 AM Eastern Standard Time on the first day of the month after the qualifying life event occurs.

You must be actively at work, performing the major duties of your regular job and working the required number of hours at the location required by your Planholder on the date your coverage is scheduled to begin. If you don't meet this requirement for any reason other than sickness or injury, your coverage won't begin until you return to being actively at work, performing the major duties of your regular job and working the required number of hours at the location required by your Planholder.

Your coverage may be scheduled to begin on or during one of the following:

- A holiday
- A vacation day
- A day you're not scheduled to work
- A temporary layoff that's less than 180 days
- An approved leave of absence of 90 days or less that isn't due to a sickness or injury
- A period of absence that's less than 7 days

If this happens, coverage will begin on that same day if you were capable of performing the major duties of your regular job and working the required number of hours at the location required by your Planholder on that day, and you were actively at work, performing the major duties of your regular job and working the required number of hours at the location required by your Planholder on your last regularly scheduled workday.

If you're not actively at work on the date coverage was scheduled to begin because of a sickness or injury, it will still begin on the date if all the following are true:

- This Plan replaced a prior plan and there was no interruption in coverage.
- You were covered by the prior plan at the time it ended.
- You're no longer eligible for coverage under the prior plan.
- You're not receiving and aren't eligible to receive benefits under the prior plan.

A prior plan is the plan that your Planholder had immediately before this Plan. For it to be considered a prior plan, it must have ended the day before this Plan began.

B660.0761

## All Options

### Delay in an increase in benefits when you're not working due to sickness or injury

If you're not actively at work on the date your increase in benefits is scheduled to begin because of a sickness or injury, this increase won't begin until you have returned to work, are performing the major duties of your regular job and working the required number of hours at the location required by your Planholder for at least 10 days without missing a day of work due to the same illness or injury.

B660.0762

## All Options

### Change in your class

If an increase in benefits results from a change in class, any additional premium must be paid. If the required premium isn't paid within 31 days of when the increase in benefits is scheduled to begin, the increase won't go into effect until the required premium is paid and we agree to the increase after reviewing information about your health. See the **Information about your health** section for more information.

If a decrease in benefits results from a change in class, the reduction will take effect at 12:01 AM Eastern Standard Time on the date immediately following our being notified by the Planholder of the change.

#### Family and Medical Leave Act (FMLA) and Uniformed Services Employment and Re-employment Rights Act (USERRA)

These options are available only if your Employer is legally required to allow for a family leave of absence. You can confirm with your Employer if these options are available.

- To care for a seriously injured or ill spouse, child, or parent
- To care for a child within 12 months following the child's birth or adoption
- Due to your own serious health condition
- To care for a spouse, child, parent or next of kin, who's your closest blood relative and who suffered a sickness or injury while on active duty in the US Armed Forces

You can keep this coverage while on leave for up to 12 weeks in any 12-month period. However, if the leave is to care for a family member who was injured or became ill while on active duty, as explained above, you'll be able to keep this coverage for up to 26 weeks of leave in a 12-month period.

If you take a family leave for any other reason during this same 12-month period, this will also count toward the 26-week maximum.

Any subsequent leave to care for a service member will be limited to 12 weeks in a 12-month period.

If you had met any portion of a waiting period when your employment ended, you'll be given credit for the time served if your employment resumes within 31 days.

### When family coverage begins

If you enroll your family members when you enroll yourself, their coverage begins at the same time your coverage begins. If you don't enroll your family members at the same time you enroll yourself, their coverage will begin at 12:01 AM Eastern Standard Time on the date you enroll them.

If, because of a qualifying life event, you're permitted to enroll family members for coverage outside the time normally allowed, their coverage begins 12:01 AM Eastern Standard Time on the date the qualifying life event occurs.

This coverage won't begin on the day it's otherwise supposed to for any family member, other than a newborn child, who, is any of the following:

CI-23-MG-IA

- In the hospital or other healthcare facility
- Confined to home
- Incapable, because of a medical condition, of performing two or more of the Activities of Daily Living without hands-on or stand-by (within arm's reach) assistance of another person:
  - Bathing - washing in a tub or a shower, or taking a sponge bath, and toweling dry
  - Continence - controlling bowel and bladder function and, in the event of incontinence, maintaining personal hygiene
  - Dressing - putting on and taking off all clothes, braces, and artificial limbs
  - Eating - getting food into the body once it has been prepared and made available
  - Toileting - getting to and from and on and off the toilet, and performing associated personal hygiene
  - Transferring - moving in or out of a bed, chair or wheelchair

Coverage will begin on the first day after the family member:

- Is no longer a patient or resident in a hospital or other healthcare facility
- Is no longer confined to home
- No longer requires assistance with two or more of the Activities of Daily Living due to a medical condition

If coverage is postponed because the family member is hospitalized or receiving care, as described above, it will still begin on the date it was supposed to if all the following are true:

- This Plan replaced a prior plan and there was no interruption in coverage.
- The family member was covered by the prior plan at the time it ended.
- The family member is no longer eligible for coverage under the prior plan.
- The family member isn't receiving and isn't eligible to receive benefits under the prior plan.

A prior plan is the plan that your Planholder had immediately before this Plan. For it to be considered a prior plan, it must have ended the day before this Plan began.

### Keeping this coverage for a child who reaches the age limit

A child may keep this coverage past the age limit if the child is all the following:

- Unable to live independently due to a mental, physical, or developmental disability which began before reaching the maximum age
- Primarily dependent upon you for financial support
- Not married or in a domestic partnership
- Continuously covered by this Plan, or by the group plan this Plan replaced, through the time the maximum age was reached

You'll have to send us proof that your child meets these requirements within 31 days of the date the maximum age is reached.

After two years have passed from the date the maximum age was reached, we may periodically ask for documentation that your child continues to meet these requirements. We won't ask for this more than once a year.

Coverage extended in accordance with this section will end when your child no longer meets the conditions above. Even when your child does meet the requirements listed above, this coverage can end due to any of the other reasons listed under the **When family coverage end** section.

### Other things you should know about getting and keeping this coverage

#### Paying the premiums

For your insurance coverage to begin and remain in place, the required premiums must be paid. We worked with your Planholder to decide how and when the premium payments must be made. This is explained in the Policy we've issued to the Planholder.

The premiums can be changed at any time. We'll give your Planholder 31 days advance notice of any change in premiums.

If you have any questions about premium payments, please contact the Planholder.

#### Be sure to give us complete and accurate information

If we asked you to provide personal, health or medical information about yourself or your family members at the time of enrollment, it's important that the information you provided was complete and accurate. If it wasn't, we have the right to challenge a claim for benefits. This means we can deny a claim that might otherwise be covered.

If you don't give us complete and accurate information, we may also have the right to rescind this coverage. This means we would declare your guide to be null and void as of its effective date. In that case, we'd refund all the premiums paid and it would be as though your insurance coverage had never been issued.

During the first two years this guide is effective, we can rescind it if any material information you provided in, or with, an enrollment form or application was missing or inaccurate. Information is considered material if it would've caused us to do any of the following:

- Not issue any coverage
- Issue your guide with different coverage or benefit amounts
- Issue your guide with different premium amounts

After this guide has been in place for more than two years, we can only rescind it if you committed fraud.

We won't challenge a claim or contest whether this coverage is valid unless the statement in question was made in writing and signed by you.

Any increase in benefits will be subject to these same requirements, with the two years described above beginning on the effective date of the increase.

Review the information you provided at the time of enrollment or application to make sure it's complete and accurate. If you find anything is missing or inaccurate, you must immediately notify us in writing at the address listed on the first page of this guide.

### **Misstatement of age**

If your age or a family member's age is found to be incorrect, we'll have to make an adjustment to the coverage or premiums, or both, if the true age would've impacted the amount of coverage we issued or the cost of the coverage.

The coverage in place prior to this adjustment will be the amount the premiums already paid would have purchased at the true age. This amount won't, however, exceed the amount allowed by any age restrictions or limits included with the Plan.

If the true age would've prevented us from issuing any coverage, this coverage will be terminated from the beginning and a refund of premiums will be made. Any benefits previously paid will be deducted from the refund.

### What's covered

This is where we give you details about the illnesses that are covered by this Plan.

**What it is** - you'll see this listed for each illness that's covered by this guide. This is a basic explanation, intended to help you understand the nature of each covered illness.

**When it Occurs** - you'll also see this listed for each illness that appears in this guide. This explains what it takes to qualify for benefits for the illness. Each covered illness has its own requirements.

In addition to the specific requirements listed under each illness, there are also some general rules that apply to each of the illnesses covered by this guide. For benefits to be available, both of the following must also be true:

- The illness must occur while you're covered by this Plan. For a family member's illness, the illness must occur while the family member is covered by this Plan.

This guide will tell you when each illness is considered to occur.

- The illness must be diagnosed by a physician who has the appropriate training or specialization needed to make the diagnosis in accordance with generally accepted medical standards.
  - A diagnosis is the definitive establishment of a medical disorder.
  - The diagnosis must be supported by the symptoms, test results and other criteria listed in this guide for that specific illness. All of this must be documented in your medical records. (We don't pay any benefits for the cost of any evaluation or test this guide indicates is needed to confirm the diagnosis.)
  - A physician is a medical practitioner of the healing arts who's both of the following:
    - Appropriately licensed or certified by the state where care or services are provided
    - Acting within the scope of that license or certification

See the **Your benefits** section of the member guide for more information on the benefits available for the illnesses listed in this guide, including any limitations that apply to these benefits. Also, see the **What isn't covered - exclusions** section of this guide for information on other situations where we won't pay benefits.

When we say "you" and "your" in this Covered Illnesses Guide, we're referring to a person that's covered by the Plan. This could be you, the member, or a family member who you've enrolled in this Plan.

Nothing in this guide should be considered medical advice or relied upon for treatment.

**Here is a notice to help you better understand your rights if your Plan is governed by ERISA. The notice isn't part of the group insurance policy or member guide.**

B651.1025

## STATEMENT OF ERISA RIGHTS

### The Guardian Life Insurance Company of America

10 Hudson Yards  
New York, New York 10001  
(212) 598-8000

Your group critical illness insurance benefits may be covered by the Employee Retirement Income Security Act of 1974 (ERISA). If so, you are entitled to certain rights and protections under ERISA.

ERISA provides that all plan participants shall be entitled to:

#### Receive Information about Your Plan and Benefits

- (a) Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- (b) Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- (c) Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

#### Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

#### Enforcement of Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules (see Claims Procedures below).

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

### **Assistance with Questions**

If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

### **Critical Illness Insurance Claims Procedure**

If you seek benefits under the plan you should complete, execute and submit a request for claim. Instructions for filing claims may be obtained from The Guardian Life Insurance Company of America (hereinafter referenced as Guardian.)

Guardian is the Claims Fiduciary with the authority to interpret and construe the terms of the Policy, the Certificate, the Schedule of Benefits, and any riders, or other documents or forms that may be attached to the Certificate or the Policy, and any other plan documents. Guardian has the authority to determine eligibility for benefits and coverage under those documents. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your Certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of ERISA.

### **Definitions**

"Adverse determination" means a denial, reduction, or termination of, or a failure to provide or make payment (in whole or in part) for, a benefit, including any such denial, reduction, termination, or failure to provide or make payment that is based on a determination of a participant's or beneficiary's eligibility to participate in a plan.

### **Timing for Initial Benefit Determination of Critical Illness Insurance Claims**

The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

Guardian will provide a benefit determination not later than 90 days from the date of receipt of a claim. This period may be extended by up to 90 days if Guardian determines that an extension is necessary due to special circumstances, and so notifies the claimant before the end of the initial 90-day period. Such notification will include the reason for the special circumstances requiring the extension and a date by which the determination is expected to be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

### **Adverse Benefit Determination of Critical Illness Insurance Claims**

If a claim is denied, Guardian will provide notice that will set forth:

- The specific reason(s) for the adverse determination;
- References to the specific provisions in the Policy, Certificate, plan or other documents, on which the determination is based;
- A description of any additional material or information needed to perfect the claim, and an explanation of why such material or information is necessary;
- A description of the plan's claim review procedures which a claimant may follow to have a claim for benefits reviewed and the time limits applicable to such procedures; and
- A description of the plan's review procedures and the time limits applicable to such procedures, including a statement of the claimant's right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination on review.

B661.0120

### **Appeals of Adverse Determinations of Critical Illness Insurance Claims**

If a claim is wholly or partially denied, you will have up to 60 days to make an appeal. Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- The opportunity to submit written comments, documents, records and other information relating to the claim;
- The opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relevant to the claim; and
- A review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will notify the claimant of its decision not later than 60 days after receipt of the request for review of the adverse determination. This period may be extended by an additional period of up to 60 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 60-day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made. In the event Guardian denies the appeal of an adverse benefit determination, it will:

- Provide the specific reason or reasons why the appeal was denied;
- Refer to the specific provisions in the Policy, Certificate, plan, or other documents on which the benefit determination is based;
- Provide a statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of all documents, records, and other information relevant to the claimant's claim for benefits.

### **Alternative Dispute Options**

The claimant and the plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact the local U.S. Department of Labor Office and the State insurance regulatory agency.

## STATEMENT OF ERISA RIGHTS

### The Guardian Life Insurance Company of America

10 Hudson Yards  
New York, New York 10001  
(212) 598-8000

Your group accident insurance benefits may be covered by the Employee Retirement Income Security Act of 1974 (ERISA). If so, you are entitled to certain rights and protections under ERISA.

ERISA provides that all plan participants shall be entitled to:

#### Receive Information about Your Plan and Benefits

- (a) Examine, without charge, at the plan administrators office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- (b) Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- (c) Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

#### Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

#### Enforcement of Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules (see Claims Procedures below).

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court. If it should happen that plan fiduciaries misuse the plans money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

### **Assistance with Questions**

If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

### **Accident Insurance Claims Procedure**

If you seek benefits under the plan you should complete, execute and submit a request for claim. Instructions for filing claims may be obtained from The Guardian Life Insurance Company of America (hereinafter referenced as Guardian.)

Guardian is the Claims Fiduciary with the authority to interpret and construe the terms of the Policy, the Certificate, the Schedule of Benefits, and any riders, or other documents or forms that may be attached to the Certificate or the Policy, and any other plan documents. Guardian has the authority to determine eligibility for benefits and coverage under those documents. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your Certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of ERISA.

### **Definitions**

"Adverse determination" means a denial, reduction, or termination of, or a failure to provide or make payment (in whole or in part) for, a benefit, including any such denial, reduction, termination, or failure to provide or make payment that is based on a determination of a participants or beneficiary's eligibility to participate in a plan.

### **Timing for Initial Benefit Determination of Accident Insurance Claims**

The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

Guardian will provide a benefit determination not later than 90 days from the date of receipt of a claim. This period may be extended by up to 90 days if Guardian determines that an extension is necessary due to special circumstances, and so notifies the claimant before the end of the initial 90-day period. Such notification will include the reason for the special circumstances requiring the extension and a date by which the determination is expected to be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

### **Adverse Benefit Determination of Accident Insurance Claims**

If a claim is denied, Guardian will provide notice that will set forth:

- The specific reason(s) for the adverse determination;
- References to the specific provisions in the Policy, Certificate, plan or other documents, on which the determination is based;
- A description of any additional material or information needed to perfect the claim, and an explanation of why such material or information is necessary;
- A description of the plan's claim review procedures which a claimant may follow to have a claim for benefits reviewed and the time limits applicable to such procedures; and
- A description of the plan's review procedures and the time limits applicable to such procedures, including a statement of the claimant's right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination on review.

B442.0582

### **Appeals of Adverse Determinations of Accident Insurance Claims**

If a claim is wholly or partially denied, you will have up to 60 days to make an appeal. Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- The opportunity to submit written comments, documents, records and other information relating to the claim;
- The opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relevant to the claim; and
- A review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will notify the claimant of its decision not later than 60 days after receipt of the request for review of the adverse determination. This period may be extended by an additional period of up to 60 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 60-day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made. In the event Guardian denies the appeal of an adverse benefit determination, it will:

- Provide the specific reason or reasons why the appeal was denied;
- Refer to the specific provisions in the Policy, Certificate, plan, or other documents on which the benefit determination is based;
- Provide a statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of all documents, records, and other information relevant to the claimants claim for benefits.

#### **Alternative Dispute Options**

The claimant and the plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact the local U.S Department of Labor Office and the State insurance regulatory agency.

You will not have multiple Hospital Indemnity coverages under this Plan. But, if this Plan uses the amount of Your earnings to set the rates, determine class, figure coverage amounts, or for any other reason, such earnings will be figured as the sum of Your earnings from all covered Employers.

### **When Employee Coverage Starts**

Your Eligibility Date is the date You have met all of the conditions of eligibility.

Whether You must pay all or part of the cost of Your coverage, You must elect to enroll and agree to make the required payments before Your coverage will start. If You do this on or before Your Eligibility Date, Your coverage is scheduled to start on Your Eligibility Date. If You do this within 31 days after Your Eligibility Date, Your coverage is scheduled to start on Your Eligibility Date. If You do not elect this coverage within 31 days of Your Eligibility Date, You must wait until the next scheduled group enrollment period. Once each year, during the group enrollment period You may elect to enroll in this coverage as offered by Your Employer. As used here, "group enrollment period" means an annual open enrollment period set by Your Employer and agreed to by Us. During this period, You can choose the Hospital Indemnity coverage Your Employer offers. An open enrollment period is usually held once a year and usually lasts for 30 days.

On the date all or part of Your coverage is scheduled to start, You must be: (1) Actively At Work; (2) fully capable of performing the major duties of Your regular occupation; and (3) working Your regular number of hours. In that case, Your coverage will start at 12:01 A.M. Standard Time for Your place of residence on that date. In any other case, We will postpone the start of Your coverage until the date You: (a) return to Active Work; (b) are working Your regular number of hours; and (c) are fully capable of performing the major duties of Your regular occupation. Sometimes, a scheduled effective date is not a regularly scheduled work day. If the scheduled effective date falls: on a holiday; on a vacation day; on a non-scheduled work day; during a layoff of less than 180 days in duration; during an approved leave of absence not due to Sickness or Injury, of 90 days or less; or on a day during a period of absence that is less than 7 days in duration; and if: (a) You were fully capable of performing the major duties of Your regular occupation for the Employer on a Full-Time basis at 12:01 AM standard time for Your place of residence on the scheduled effective date; and (b) You were performing the major duties of Your regular occupation and working Your regular number of hours on Your last regularly scheduled work day; Your coverage will start on the scheduled effective date.

**Exception to When Employee Coverage Starts:**

If You are not capable of performing the major duties of Your regular occupation for Your Employer on a Full-Time basis on the date Your coverage is scheduled to start, You will be insured for Hospital Indemnity insurance if:

1. You were insured under the prior insurer's group or individual Hospital Indemnity policy at the time of the transfer;
2. You are a member of an eligible class;
3. premiums for You were paid up to date; and
4. You are not receiving or eligible to receive benefits under the prior insurer's group or individual Hospital Indemnity policy.

Any Hospital Indemnity benefit payable will be the lesser of:

1. the Hospital Indemnity benefit payable under the Group Policy; or
2. the Hospital Indemnity benefit payable under the prior insurer's group Hospital Indemnity or individual policy had it remained in force.

**When Employee Coverage Ends**

Your coverage will end on the first of the following dates:

- The date Your active service ends for any reason. Your active service ends when You are no longer: (1) Actively At Work; and (2) working Your regular number of hours.
- The date You stop being an eligible Employee under this Plan.
- The date You are no longer working in the United States or working outside of the United States for a United States based Employer in a country or region approved by Us.
- The date this group Plan ends, or is discontinued for a class of Employees to which You belong.
- The last day of the period for which required payments are made for You.

**Your Right to Continue Hospital Indemnity Coverage During a Family Leave of Absence**

**Important Notice:** This section may not apply to Your Employer's Plan. You must contact Your Employer to find out if he or she must allow for a family leave of absence under federal law. If he or she must allow for such leave, this section applies.

**If Your Coverage Would End:** Your Hospital Indemnity coverage would normally end because You cease work due to an approved leave of absence. But, You may continue Your coverage if the leave has been granted to: (1) allow You to care for a seriously injured or ill Spouse, child or parent; (2) after the birth or adoption of a child; (3) due to Your own serious health condition; or (4) because of a Serious Injury or Illness arising out of the fact that Your Spouse, child, parent or Next of Kin who is a Covered Service Member is on Active Duty, or has been notified of an impending call or order to Active Duty, in the Armed Forces in support of a Contingency Operation. To continue Your coverage, You will be required to pay the same share of the premium as You paid before the leave of absence.

**When Continuation Ends:** Continued coverage will end on the earliest of the following:

- The date You return to Active Work.
- In the case of a leave granted to You to care for a Covered Service Member, the end of a total leave period of 26 weeks in one 12 month period. This 26 week total leave period applies to all leaves granted to You under this section for all reasons. If You take an additional leave of absence in a subsequent 12 month period, continued coverage will cease at the end of a total leave period of 12 weeks.
- In any other case, the end of a total leave period of 12 weeks in any 12 month period.
- The date on which Your Employer's Plan is terminated or You are no longer eligible for coverage under this Plan.
- The end of the period for which premium has been paid.

**Definitions:** As used in this section, the terms listed below have the meanings shown below:

- **Active Duty:** This term means duty under a call or order to Active Duty in the Armed Forces of the United States.
- **Contingency Operation:** This term means a military operation that: (1) is designated by the Secretary of Defense as an operation in which members of the Armed Forces are or may become involved in military actions, operations or hostilities against an enemy of the United States or against an opposing military force; or (2) results in the call or order to, or retention on, Active Duty of members of the uniformed services under any provision of law or during a national emergency declared by the President or Congress.
- **Covered Service Member:** This term means a member of the Armed Forces, including a member of the National Guard or Reserves, who for a Serious Injury or Illness is: (1) undergoing medical treatment, recuperation or therapy; (2) otherwise in Outpatient Status; or (3) otherwise on the temporary disability retired list.
- **Next Of Kin:** This term means Your nearest blood relative.

- **Outpatient Status:** This term means, in the case of a Covered Service Member, that he or she is assigned to: (1) a military medical treatment facility as an outpatient; or (2) a unit established for the purpose of providing command and control of members of the Armed Forces receiving medical care as outpatients.
- **Serious Injury Or Illness:** This term means, in the case of a Covered Service Member, an Injury or illness incurred by him or her in line of duty on Active Duty in the Armed Forces that may render him or her medically unfit to perform the duties of his or her: (1) office; (2) grade; (3) rank; or (4) rating.

**Adopted Children and Step-Children**

---

Your unmarried dependent children include Your legally adopted children and Your step-children. But, Your step-children must depend on You for most of their support and maintenance. ---

**Handicapped Children**

---

You may have an unmarried child (a) with a mental or physical handicap or developmental disability and (b) chiefly dependent upon You for support and maintenance. In that case such a child may remain eligible for dependent benefits past the age limit subject to the conditions shown below.

- His or her condition started before he or she reached the age limit.
- He or she became covered for dependent Hospital Indemnity benefits before he or she reached the age limit, and remained continuously covered until he or she reached the age limit.
- He or she is unmarried and remains: (i) incapable of self-sustaining employment; and (ii) dependent upon You for most of his or her support and maintenance.
- You send Us written proof, and We approve such proof, of the child's disability and dependence within 31 days from the date he or she reaches the age limit. After the two year period following the child's attainment of the age limit, We can ask for periodic proof that the child's condition continues, but We cannot ask for this proof more than once a year.

The child's coverage ends when Your coverage ends.

B005.0599

---

**Dependents Not Eligible**

We exclude:

- A dependent who is on Active Duty in any armed force;
- A dependent who is covered by this Plan as an Employee.

A child may be an eligible dependent of more than one Employee who is insured under this Plan. In that case, the child may be insured for dependent Hospital Indemnity benefits by only one Employee at a time.

B005.0601

---

**When Dependent Coverage Starts**

In order for Your dependent coverage to start, You must already be covered for Employee coverage, or enroll for Employee and dependent coverage at the same time.

Subject to the Exception below and to all of the other terms of this Plan, the date Your dependent coverage starts depends on when You elect to enroll Your Initial Dependents and agree to make any required payments.

If You do this on or before Your Eligibility Date, the dependent's coverage is scheduled to start on the later of Your Eligibility Date and the date You become covered for Employee coverage.

If You do this within 31 days of Your Eligibility Date, the coverage is scheduled to start on the later of Your Eligibility Date and the date You become covered for Employee coverage.

If You do not elect dependent coverage within 31 days of Your Eligibility Date, You must wait until the next scheduled group enrollment period to add dependent coverage. Once each year, during the group enrollment period You may elect to enroll dependents in this coverage as offered by Your Employer. As used here, "group enrollment period" means an annual open enrollment period set by Your Employer and agreed to by Us. During this period, You can choose the dependent Hospital Indemnity coverage Your Employer offers. An open enrollment period is usually held once a year and usually lasts for 30 days.

You may enroll Your dependents outside of the group enrollment period only as follows:

- You may enroll a new Spouse within 31 days of marriage;
- You may enroll for dependent child coverage within 31 days of the birth or adoption of Your first eligible child.

Once You have dependent child coverage for Your Initial Dependent child(ren) any Newly Acquired Dependent children will be covered as of the date he or she is first eligible.

**Exception:** We will postpone the effective date of a dependent's, other than a newborn child's, coverage if, on that date, he or she is: (1) Confined to a Hospital or other health care facility or (2) home confined. In that case, We will postpone the effective date of his or her coverage until the day after the date: (a) of his or her discharge from such facility or (b) his or her home confinement ends. If a dependent was covered under a prior plan at transfer, this language will not apply to the amount of coverage that was in force with the prior plan.

### When Dependent Coverage Ends

Dependent coverage ends for all of Your dependents when Your Employee coverage ends. Dependent coverage also ends for all of Your dependents when You stop being a member of a class of Employees eligible for such coverage. And, it ends when this Plan ends, or when dependent coverage is dropped from this Plan for all Employees or for Your class.

If You are required to pay all or part of the cost of dependent coverage, and You fail to do so, Your dependent coverage ends. It ends on the last day of the period for which You made the required payments, unless coverage ends earlier for other reasons.

Your dependent's coverage ends when he or she stops being an eligible dependent. This happens to a child at 12:01 A.M. on the date the child attains this Plan's age limit, when he or she marries, or when a step-child is no longer dependent on You for support and maintenance or for Your handicapped child who has reached the age limit, when he or she marries or is no longer dependent on You for support and maintenance. It happens to a Spouse when a marriage ends in legal divorce or annulment or a Domestic Partnership ends or no longer qualifies as a Domestic Partnership.

### Waiver of Premium Benefit

---

After the Covered Person has been Confined to a Hospital due to a Covered Sickness or Injury for more than 30 continuous days while this Plan is in force, We will waive the premium for the Plan for as long as the Covered Person remains Confined to a Hospital or Rehabilitation Unit.

**PORTABILITY PRIVILEGE**

---

**Definition:** As used in this provision, the terms "port" and "to port" mean to choose a portable certificate of coverage which provides group Hospital Indemnity coverage.

**Portability Conditions:** Portability is subject to all of the conditions described below.

- You may port if Your coverage under this Plan ends because: (1) You have terminated employment; (2) You stop being a member of an eligible class of Employees; or (3) this Plan ends.
- You may **not** port Your coverage if You have reached Your 70th birthday on the date coverage under this Plan ends.
- You may **not** port coverage for any of Your dependents if he or she has reached his or her 70th birthday on the date coverage under this Plan ends.
- You may **not** port if coverage under this Plan ends due to Your failure to pay any required premium.

**Portability Options:** You may port Your Hospital Indemnity coverage, subject to any benefit amount reductions based on age, less the amount of any Hospital Indemnity benefits paid by this Plan.

You may port Your dependent's Hospital Indemnity coverage, less the amount of any Hospital Indemnity benefits paid by this Plan.

You may port: (1) Your coverage only; (2) Your coverage and coverage of Your covered Spouse; (3) Your coverage and the coverage of all of Your covered dependents; or (4) if You are a single parent, Your coverage and the coverage of all of Your covered dependent children. No other combinations will be allowed.

A dependent must be covered as of the date Your coverage under this Plan ends in order to be eligible for portability.

If You die while covered for dependent Hospital Indemnity coverage, Your Spouse may port Your dependent Hospital Indemnity coverage as described above. Your Spouse and dependent children must be covered under this Plan on the date of Your death. But, this option is not available if: (1) there is no surviving Spouse; or (2) Your surviving Spouse has reached his or her 70th birthday on the date of Your death.

**The Portable Certificate of Coverage:** The portable certificate of coverage provides group Hospital Indemnity. The benefits provided by the portable certificate of coverage are the same as the benefits provided by this Plan. The portable certificate provides seamless coverage. Benefit limits, maximums and timeframes do not reset when someone becomes covered under the portable certificate. The premium for the portable certificate of coverage will be based on: (1) the Covered Person's rate class under this Plan; and (2) Your or Your surviving Spouse's age bracket as shown in the Hospital Indemnity Portability Coverage Premium Notice.

**How to Port:** You or Your surviving Spouse must: (1) apply to Us in writing; and (2) pay the required premium. You or Your surviving Spouse must do this within 31 days from the date Your coverage under this Plan ends. We will not ask for proof that You or Your surviving Spouse are in good health.

**STATEMENT OF ERISA RIGHTS**

---

As a participant, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

**Receive Information About Your Plan and Benefits**

- (a) Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- (b) Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- (c) Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

**Prudent Actions By  
Plan Fiduciaries**

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

**Enforcement Of Your Rights** If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

**Assistance with Questions** If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

## Group Health Benefits Claims Procedure

If you seek benefits under the plan you should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from the Plan Administrator.

Guardian is the Claims Fiduciary with discretionary authority to determine eligibility for benefits and to construe the terms of the plan with respect to claims. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of the Employee Retirement Income Security Act of 1974 ("ERISA").

**Definitions** "Adverse Benefit Determination" means any denial, reduction or termination of a benefit or failure to provide or make payment (in whole or in part) for a benefit.

"Group Health Benefits" means any accident, cancer, critical illness, specified disease or hospital indemnity coverages which are a part of this plan.

**Timing For Initial Benefit Determination** The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

**Claims.** Guardian will provide a benefit determination not later than 30 days after receipt of a claim. If a claimant fails to provide all information needed to make a benefit determination, Guardian will notify the claimant of the specific information that is needed as soon as possible but no later than 30 days after receipt of the claim.

The time period for completing a benefit determination may be extended by up to 15 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 30-day period.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

**Adverse Benefit Determination** If a claim is denied, Guardian will provide a notice that will set forth:

- the specific reason(s) for the adverse determination;
- reference to the specific plan provision(s) on which the determination is based;

- a description of any additional material or information necessary to make the claim valid and an explanation of why such material or information is needed;
- a description of the plan's claim review procedures and the time limits applicable to such procedures, including a statement indicating that the claimant has the right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination;
- identification and description of any specific internal rule, guideline or protocol that was relied upon in making an adverse benefit determination, or a statement that a copy of such information will be provided to the claimant free of charge upon request.

**Appeal of Adverse  
Benefit  
Determinations**

If a claim is wholly or partially denied, the claimant will have up to 180 days to make an appeal.

Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- the opportunity to submit written comments, documents, records and other information relating to the claim;
- the opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relating to the claim; and
- a review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will:

- provide for a review conducted by a named fiduciary who is neither the person who made the initial adverse determination nor that person's subordinate;
- in deciding an appeal based upon a medical judgment, consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;
- identify medical or vocational experts whose advice was obtained in connection with an adverse benefit determination; and
- ensure that a health care professional engaged for consultation regarding an appeal based upon a medical judgment shall be neither the person who was consulted in connection with the adverse benefit determination, nor that person's subordinate.

Guardian will notify the claimant of its decision regarding review of an appeal as follows:

**Claims.** Guardian will notify the claimant of its decision not later than 60 days after receipt of the request for review of the adverse benefit determination.

**Alternative Dispute Options** The claimant and the plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact the local U.S Department of Labor Office and the State insurance regulatory agency.
